

DR. ABHISHEK BHAUMIK

Consultant - Advanced Laparoscopic Surgeon

Qualification

MBBS | MS (General Surgery) | FNB (Minimal Access Surgery) | FICRS

Overview

Dr. Abhishek Bhaumik is a highly regarded consultant in the Department of General Surgery at Manipal Hospitals, Dhakuria, Kolkata. With over 12 years of experience in the field, Dr. Bhaumik possesses robust academic credentials. He completed his MBBS, followed by an MS in General Surgery. He further specialised in the field of Minimal Access Surgery by obtaining a Fellowship of the National Board (FNB). Dr. Bhaumik is also a fellow of the International College of Robotic Surgeons (FICRS), broadening his scope in the field. As a leading laparoscopic surgeon in Dhakuria, Dr. Bhaumik performs a wide range of minimally invasive surgical procedures. He specialises in several laparoscopic procedures, including Laparoscopic Gastrointestinal, Colorectal, and Bariatric Surgeries. He provides effective treatment for conditions such as gallstones, hernias, gastro-oesophageal reflux disease (GERD), and other gastrointestinal (GI) disorders. Dr. Bhaumik’s proficiency in minimally invasive techniques enables patients to experience reduced post-operative pain, shorter hospital stays, and faster recovery compared to conventional open surgeries. Dr. Bhaumik has notable expertise in Hernia Repair,

managing both routine and complex hernia cases with precision. His in-depth understanding of the anatomical and technical aspects of Hernia Surgery ensures optimal outcomes for his patients. He is also an expert in Bariatric Surgery, offering comprehensive solutions for obesity. This involves advanced procedures such as Laparoscopic Sleeve Gastrectomy and Gastric Bypass. His approach is holistic, emphasising preoperative counselling, lifelong lifestyle modifications, and ongoing follow-up care. Additionally, Dr. Bhaumik is experienced in the surgical management of GI cancers, including colon, gastric, and oesophageal cancers. His use of Laparoscopic Cancer Surgery techniques promotes faster recovery and improved long-term outcomes. His surgical expertise further extends to conditions involving the spleen, adrenal glands, thyroid, and kidneys, allowing him to deliver comprehensive surgical care across a wide range of patient needs. Dr. Bhaumik also performs emergency abdominal procedures and proctological surgeries for piles, fissures, fistulas, and other anorectal conditions. As a member of the Indian Association of Gastrointestinal Endosurgeons (IAGES), Dr. Bhaumik keeps up with the latest in Minimally Invasive GI Surgery. He is also known for his patient-centred approach, prioritising clear communication, patient education, and customised treatment planning. Dr. Bhaumik’s commitment to clinical excellence and adoption of the latest advancements in Laparoscopic Surgery have earned him a strong reputation as a skilled and compassionate surgeon.
