

DR. SUBHASISH DEB

Consultant - Orthopaedics

Qualification

MBBS | FRCS (Edinburgh)

Overview

Dr. Subhasish Deb is an orthopaedic surgeon practising at Manipal Hospitals, Dhakuria, Kolkata. With a robust clinical career spanning over 20 years, Dr. Deb has gained significant experience in the diagnosis, treatment, and surgical management of musculoskeletal conditions. He holds an MBBS, followed by a Master of Surgery (MS) in Orthopaedics. Furthering his academic and clinical foundation, Dr. Deb attained the Fellowship of the Royal College of Surgeons (FRCS), reflecting his international exposure and dedication to staying aligned with global standards of orthopaedic excellence. He is a top orthopaedic doctor in Dhakuria. Over the course of his career, Dr. Deb has worked across national and international hospitals, developing a wide breadth of expertise in orthopaedic care. His areas of specialisation include Trauma Surgery, Arthroscopy, and Joint Replacement Procedures, where he applies precision-driven techniques for optimal patient outcomes. Whether managing complex fractures or performing joint replacements, Dr. Deb's clinical acumen ensures effective treatment and faster recovery pathways. At Manipal Hospitals, Dr. Deb is part of a multidisciplinary team dedicated to

providing comprehensive orthopaedic solutions. His approach is characterised by an emphasis on evidence-based treatments and meticulous surgical planning tailored to the unique needs of each patient. With fluency in English, Bengali, and Hindi, Dr. Deb fosters strong patient communication, making him accessible to a diverse patient community. His extensive training and long-standing professional experience position Dr. Subhasish Deb as a reliable and forward-thinking practitioner in the field of orthopaedics. Patients benefit from his thorough understanding of joint and bone disorders, as well as his refined surgical skill set that integrates tradition with advanced techniques.

Fellowship & Membership

- Fellowship of the Royal College of Surgeons (FRCS), Edinburgh.

Field of Expertise

- Specialising in performing Trauma-related Orthopaedic Surgeries, addressing complex fractures and musculoskeletal injuries with precision and timely intervention.
- Expertise in Total Joint Replacement Procedures, including Hip and Knee Replacements, with a focus on restoring pain-free movement and long-term joint stability.
- Proficient in Arthroscopic techniques, offering minimally invasive solutions for joint disorders and injuries, resulting in quicker recovery and reduced post-operative complications.
