

DR. RANJANA TIBREWAL

Consultant - Gynaecologist & Obstetrician

Qualification

MBBS (Hons) | MS (Obstetrics and Gynaecology) | FIAOG | Fellowship in Minimal Access Surgery | Diploma in Aesthetic and Functional Gynaecology

Overview

Dr. Ranjana Tibrewal is an experienced consultant gynaecologist and obstetrician affiliated with Manipal Hospitals, Dhakuria. Practising since 2009, she brings over 16 years of post-MS experience, along with robust academic excellence. As an alumna of the Calcutta National Medical College, she has received multiple accolades, including university-level honours and medals in individual subjects. Dr. Tibrewal has obtained a fellowship in Minimal Access Surgery, granted by the Association of Minimal Access Surgeons of India. She is also a fellow of the Indian Academy of Obstetrics and Gynaecology (FIAOG). Dr. Tibrewal’s expertise addresses concerns ranging from vaginal rejuvenation and menopausal symptoms to urinary incontinence and female sexual dysfunction. She specialises in a range of procedures related to Aesthetic and Regenerative Gynaecology, including Labiaplasty and Vaginoplasty. Dr. Tibrewal also offers nonsurgical options such as Platelet-Rich Plasma (PRP), Dermal Fillers, and Laser treatments. In addition, Dr. Tibrewal is trained in Laparoscopic Surgeries, safe abortion services, and basic subfertility care. She also

manages high-risk pregnancies. She had previously taught both undergraduate and postgraduate students and had regularly conducted examinations for the MBBS, MS, and DNB programmes. She is a top Gynaecologist in Dhakuria. Beyond her clinical practice, Dr. Tibrewal is known for her contributions to research and academics. Apart from teaching, she has published numerous research papers in several national and international journals, notably The Journal of Obstetrics and Gynaecology of India and the Indian Journal of Perinatology and Reproductive Biology. She is also a member of distinguished societies like the Bengal Obstetric and Gynaecological Society (BOGS) and the Indian Academy of Vaginal Aesthetics (IAVA). Committed to continuous learning, Dr. Tibrewal actively pursues ongoing education in Obstetrics and Gynaecology. She completed a certification course in Ultrasound in Pregnancy, conducted by the Federation of Obstetric and Gynaecological Societies of India (FOGSI) in collaboration with the Foetal Medicine Foundation (FMF) India. She earned a diploma in Aesthetic and Regenerative Gynaecology from the Indian Academy of Vaginal Aesthetics. Dr. Tibrewal also received hands-on training in Colposcopy, LEEP (Loop Electrosurgical Excision Procedure), and LLETZ (Large Loop Excision of the Transformation Zone), organised by the Asia-Oceania Research Organisation on Genital Infections and Neoplasia (Indian Chapter). Dr. Tibrewal regularly participates as a faculty member at national and regional conferences. As a convenor, she also plays an active role in several organising committees and workshops. The Bengal Obstetric and Gynaecological Society (BOGS) awarded her first prize in the Short Paper Presentation Competition in 2008. Fluent in English, Hindi, Bengali, and Marwari, Dr. Tibrewal helps patients clearly understand their available treatment options and make informed decisions. Dr. Tibrewal's patient-centric approach, coupled with her academic background and achievements, makes her a reliable specialist in the field of Gynaecology.

Fellowship & Membership

- Fellowship in Minimal Access Surgery from the Association of Minimal Access Surgeons of India
- Fellow of the Indian Academy of Obstetrics and Gynaecology (FIAOG)
- Member of Bengal Obstetric and Gynaecological Society (BOGS)
- Member of the Federation of Obstetric and Gynaecological Societies of India (FOGSI)
- Member of the Indian Academy of Vaginal Aesthetics (IAVA)
- Member of the Association of Minimal Access Surgeons of India (AMASI)
- Member of the Indian Menopause Society (IMS)

Field of Expertise
