

DR. JOHN MATHEW

Senior Consultant – Otolaryngologist

Qualification

MBBS | MS (ENT – Head & Neck Surgery)

Overview

Dr. John Mathew is a senior consultant in the Department of Ear, Nose, and Throat (ENT) at Manipal Hospitals, Dhakuria, Kolkata. With over 25 years of ENT experience, he treats patients with complex otolaryngological conditions. Dr. Mathew completed his Bachelor of Medicine and Bachelor of Surgery (MBBS) at Kolkata National Medical College. He later pursued a Master of Surgery (MS) in ENT and Head & Neck Surgery from Netaji Subhash Chandra Bose Medical College, Jabalpur. Recognised as one of the leading otolaryngologists in Dhakuria, Dr. Mathew has held key clinical roles across reputable institutions over the years. His vast experience includes managing both routine ENT conditions and complex Oncological Surgeries involving the head and neck region. Dr. Mathew has worked extensively in oncology-driven ENT practices, gaining substantial experience in the surgical oncology of the upper aerodigestive tract. He is also known for his clinical expertise in Micro-ear Surgery, Endoscopic Sinus Surgery, Skull Base Procedures, Nasal and Laryngeal Cancer Management. Beyond his clinical practice, Dr. Mathew remains deeply involved in academic and surgical training initiatives nationwide. Recognised as a

faculty member and panellist, he plays an active role in shaping education in ENT and Head & Neck Surgery. He has participated in a wide range of national conferences, CME programmes, and cadaveric dissection workshops, often contributing as both speaker and delegate. In addition, Dr. Mathew is affiliated with several professional bodies, collaborating with like-minded experts and staying current with advancements in the field. He is a member of prestigious organisations, namely the Association of Otolaryngologists of India (AOI) and the Association of Otolaryngologists of West Bengal (AOI-WB). He is also a founding member of the Foundation for Head and Neck Oncology and Founder Member of the Oncological Society of Bengal. Fluent in English, Hindi, Bengali, and Malayalam, Dr. Mathew is well-regarded for his empathetic communication. Along with his strong surgical precision and ethical practice, he maintains a strong presence in the field both as a mentor and a clinician.
