

DR. SAURODIP MAITY

Associate Consultant - Paediatrics and Child Care

Qualification

MBBS | DNB | Indian Diploma in Pediatric Critical Care Medicine | Fellowship in Pediatric Intensive Care (UK)

Overview

Dr. Saurodip Maity is an associate consultant at the Department of Pediatrics and Child Care at Manipal Hospitals Dhakuria. With an exemplary academic background of MBBS, DNB Paediatrics and several subsequent specialised courses, Dr. Saurodip Maity offers comprehensive medical care for some of the most vulnerable and delicate groups of patients. Over the course of his practice, Dr. Saurodip Maity has been associated with eminent medical institutions, including Medical College, Kolkata, Max Superspeciality Hospital, Delhi, and Manipal Hospitals Bangalore. This provided him with hands-on experience, and further strengthened his skillset in providing comprehensive care to his patients. He specialises in paediatric transplants and critical care, which further extends to paediatric ECMO, high risk paediatric transports, vaccinations, and paediatric cardiac and pulmonary care. His dedication towards paediatric critical care medicine led him to secure the Indian Diploma in Paediatric Critical Care Medicine (IDPCCM), followed by a specialised Fellowship in Paediatric Intensive Care in London, UK. This deeply enriched his expertise in handling complex paediatric ICU cases, advanced

ventilation, cardiac critical care and emergency paediatric stabilisation with globally aligned standards. Beyond his clinical acumen, Dr. Saurodip Maity remains dedicated to continued research, and remains committed towards contributing to advancements in his field. He has memberships in a number of healthcare organisations, which upholds his devotion to providing the best treatment for his patients. With an approach rooted in compassion and medical excellence, Dr. Saurodip Maity is a trusted name among experts and families seeking superior care for their children.
