

DR. ANGAN KARMAKAR

Consultant – Rheumatology

Qualification

MBBS | MD (General Medicine) | DM (Rheumatology) | MRCP (UK) | Speciality Certificate in Rheumatology (RCP, UK)

Overview

Dr. Angan Karmakar is a renowned specialist currently associated with Manipal Hospitals Dhakuria as a Visiting Consultant at the Department of Rheumatology. With expertise in autoimmune and rheumatological disorders, his approach towards diagnosis and treatment prioritises patient safety and satisfaction. The foundation of his medical career lies in his strong academic background, holding an MBBS and MD (General Medicine), followed by a DM (Rheumatology) from the Institute of Postgraduate Medical Education and Research (IPGMER), Kolkata. Dr. Karmakar further enhanced his credentials by earning a speciality certificate and becoming a Member of the Royal College of Physicians, UK (MRCP). After completing his DM, he joined Nilratan Sircar Medical College, Kolkata, as an Assistant Professor of Medicine, where he mentored future medical professionals. With a career spanning over 11 years, including 4 years of exclusive experience in rheumatology, Dr. Angan Karmakar specialises in treating complex rheumatological conditions such as rheumatoid arthritis, Sjogren’s syndrome, psoriatic arthritis, ankylosing spondylitis, vasculitis, soft tissue rheumatism, and other related disorders. Trained at some of

India’s most prestigious medical institutions, Dr. Angan Karmakar combines academic excellence with clinical expertise to deliver comprehensive patient care. He firmly believes in adopting a collaborative and interdisciplinary approach to ensure accurate diagnosis and effective treatment for his patients.
