

DR. DIPAK KUMAR RAY

Consultant – Rheumatology

Qualification

MBBS | MD (General Medicine) | MRCP (UK) | M.Sc (Clinical Rheumatology) (UK) | FRCP | CCST (Rheumatology)

Overview

Dr. Dipak Kumar Ray is a renowned consultant associated with the Department of Rheumatology at Manipal Hospital Dhakuria. His robust academic background of MBBS, MD (General Medicine), MRCP (UK), M. Sc in Clinical Rheumatology from Manchester University, UK, followed by FRCP from Edinburg laid the foundation of his illustrious professional journey. With a career of over 20 years, Dr. Dipak Kumar has been part of several medical establishments across India and the United Kingdom. During his tenure in the UK, he received hands-on training from several notable health establishments, including the SpR Rotation in Rheumatology at South West Peninsula Post-graduate Deanery, which led to him achieving the CCST certification in Rheumatology. He was also associated as consultant rheumatologist at Queen’s Hospital and North Tees and Hartlepool NHS Trust, UK. His illustrious professional journey has enabled him to specialise in the treatment of various rheumatological concerns, including osteoporosis, inflammatory arthritis and connective tissue disease. Beyond his clinical expertise, Dr. Dipak Kumar Ray is actively involved in medical research work, specifically on rheumatologic disorders. This highlights

his dedication towards contributing towards medical advancements. Blending patient-centricity, compassionate communication and comprehensive treatment in his approach, Dr. Dipak Kumar Ray is a trusted name to patients seeking advanced rheumatologic care.
