

DR. DIPANKAR SARKAR

Consultant – Nephrology

Qualification

MBBS | MD (General Medicine) | DM (Nephrology)

Overview

Dr. Dipankar Sarkar is a renowned specialist, currently associated as Consultant at The Department of Nephrology at Manipal Hospitals Dhakuria. His distinguished academic background of MBBS, MD (General Medicine) and DM (Nephrology), along with compassionate, patient-centric approach towards treatment makes him a trusted name among patients seeking advanced, comprehensive care. With over 12 years of experience in the field, Dr. Dipankar Sarkar's expertise comes from hands-on training and pragmatic knowledge. He specialises in treatment of a range of kidney disorders, including Chronic Kidney Disease (CKD) and glomerular disease. He has served as consultant nephrologist across various esteemed organizations, including Kothari Medical Centre, Woodlands Hospital and Kasturi Medical Centre. Beyond his clinical expertise, Dr. Dipankar Sarkar is an experienced academic. This is evident from his tenure at North Bengal Medical College, where he was the former Professor and Head of the Department of Nephrology. A distinguished clinician and academic, Dr. Dipankar Sarkar has contributed immensely to emerging medical advancements by participating in several important clinical trials and

numerous publications.
