

DR. ANJAN ADAK

Consultant – Radiotherapy (Oncology Radiation)

Qualification

MBBS | MD (Radiation Oncology)

Overview

Dr. Anjan Adak is a Senior Consultant in the Department of Radiotherapy (Radiation Oncology) at Manipal Hospital, Dhakuria, with over 15 years of dedicated experience in oncology. He completed his MBBS and MD (Radiation Oncology) from the prestigious Medical College, Kolkata the oldest medical college in Asia followed by Senior Residency at the renowned Chittaranjan National Cancer Institute, Kolkata, one of India's leading cancer care centres. His strong academic foundation and extensive clinical experience have shaped his expertise across the full spectrum of Clinical and Radiation Oncology. Dr. Adak specializes in the management of Head & Neck, Breast, Gastrointestinal, Thoracic, and Genitourinary malignancies. In addition to radiation therapy, he is experienced in the administration and integration of systemic treatments, including chemotherapy, targeted therapy, and immunotherapy, enabling him to provide comprehensive, multidisciplinary cancer care tailored to individual patient needs. He has extensive experience in advanced radiotherapy technologies, including Image-Guided Radiotherapy (IGRT), Intensity-Modulated Radiotherapy (IMRT), Volumetric Modulated Arc Therapy

(VMAT), Stereotactic Body Radiation Therapy (SBRT), Three-Dimensional Conformal Radiotherapy (3DCRT), conventional radiotherapy techniques, and Brachytherapy. His expertise allows precise tumor targeting while minimizing exposure to surrounding healthy tissues, ensuring safe and effective treatment outcomes. Beyond clinical practice, Dr. Adak is deeply committed to medical education and actively mentors junior doctors and healthcare professionals. He has further enriched his clinical exposure through observerships at reputed oncology centres, including the prestigious Tata Memorial Hospital, Mumbai. Combining compassion with clinical excellence, Dr. Adak is dedicated to delivering evidence-based, patient-centred care, supporting patients and their families throughout their cancer journey.

Fellowship & Membership

- Life Member of Association of Radiation Oncologists of India (AROI)
- Member of American Brachytherapy Society (ABS)
- Member of European Society for Therapeutic Radiology and Oncology (ESTRO)
- Member of European Society for Medical Oncology (ESMO)
- Life Member of Indian Association of Palliative Care (IAPC)
- Life Member of Indian Medical Association (Kolkata Suburban Branch) (IMA)

Field of Expertise

- Advanced Radiation techniques including IMRT, IGRT, VMAT/RapidArc, SBRT, 3DCRT
