

DR. SUBINITA HAZRA

Associate Consultant – Paediatrics

Qualification

MBBS | MD (Paediatrics) | DNB (Paediatrics) | MRCPCH (UK)

Overview

Dr. Subinita Hazra is an associate consultant at the Department of Paediatrics and Child Care at Manipal Hospitals Dhakuria. Her educational background of MBBS, MD (Paediatrics), and DNB (Paediatrics), followed by the prestigious Membership of Royal College of Paediatrics and Child Health set the foundation of her exemplary track record in providing comprehensive, all-encompassing care to her neonate and paediatric patients. Over the course of her journey as a clinician, Dr. Subinita Hazra has remained associated with multiple healthcare establishments, receiving hands-on training and honing her expertise in paediatric emergencies, comprehensive patient assessment and diagnostic reasoning, ensuring thorough patient education alongside collaborative patient care. She specialises in neonate care, paediatric emergencies, growth tracking in children, management, treatment and prevention of childhood illnesses, immunisation and paediatric nutrition. Beyond her clinical excellence, Dr. Subinita Hazra is actively involved in training next-generation physicians, and has trained both undergraduate and post-graduate trainees. A highly skilled specialist in the field of paediatrics with a

proven track record in medical education, Dr. Subinita Hazra is a source of trust and hope for patients and their families alike.
