

DR. SUKANYA SAHA

Associate Consultant - Medical Oncology

Qualification

MBBS | MD (General Medicine) | DrNB (Medical Oncology) | ESMO Certified (ECMO)

Overview

Dr. Sukanya Saha is an Associate consultant in the Department of Medical Oncology at Manipal Hospitals Dhakuria. She holds an MBBS, MD in General Medicine and DrNB Superspeciality in Medical Oncology, and is ESMO certified (EUROPEAN SOCIETY FOR MEDICAL ONCOLOGY) reflecting internationally benchmarked expertise in evidence based medical oncology. She is committed to delivering comprehensive, personalized, multidisciplinary cancer care using the latest advances in chemotherapy, targeted therapy, hormonal Therapy , immunotherapy and precision oncology improving patient outcomes. Her clinical practice is guided by internationally accepted evidence-based guidelines, including NCCN and ESMO recommendations, while individualizing treatment according to each patient’s disease biology, clinical condition, and preferences. Over the course of her practice, Dr. Sukanya Saha had been associated with multiple premier healthcare organisations, including Apollo Multispeciality Hospital, Kolkata, and Max Superspeciality Hospital, Delhi where she gained extensive experience in the management of complex oncological cases. She has earned the prestigious ESMO Certification, an internationally

recognized examination based certification in medical oncology and has also participated in Advanced Management of Oncological Diseases, an educational program conducted by Harvard Medical School. She specialises in the management of all solid organ malignancies which include breast, lung , gastrointestinal, hepatobiliary, pancreatic, genitourinary, and gynecologic cancers. She also has expertise in the diagnosis and management of hematologic malignancies including Hodgkin lymphoma, Non-Hodgkin lymphoma, Chronic myeloid leukemia (CML), Chronic lymphocytic leukemia (CLL), and Multiple myeloma. Her clinical practice focuses on precision oncology, biomarker-driven treatment selection, multidisciplinary treatment planning to provide personalised, evidence-based cancer care. Beyond her clinical expertise, Dr. Sukanya Saha is actively involved in cancer awareness, prevention and early detection initiatives. She regularly conducts educational programs for the public and healthcare professionals, promoting evidence-based cancer screening and timely diagnosis. Through community outreach and digital platforms, she remains committed to improving public awareness and encouraging early cancer detection. A compassionate and dedicated specialist in Medical Oncology, Dr. Sukanya Saha strives to deliver personalised, patient-centred cancer care with a strong emphasis on clinical excellence, scientific evidence, and improved patient outcomes.
