

DR. PRAVEEN S

Consultant - General and Laparoscopic Surgeon

Qualification

MBBS | MS

Overview

Dr Praveen S. is a highly skilled Consultant specialising in general and laparoscopic surgery. He has a wealth of experience and professional training and is renowned for his superb surgical abilities and dedication to patient care. Dr Praveen has fostered a standing as a skilled bariatric specialist who offers effective treatment for illnesses brought about by overabundance of weight. His capacity to communicate well in several dialects, including Kannada, English, and Hindi, allows him to connect with various patients. The educational background of Dr Praveen is exceptional. After earning his MBBS from Rajiv Gandhi University of Health Sciences in 2007, he went to Rajasthan University to specialise in General Surgery and got his MS in 2011. His pursuit of fellowships and participation in respected organisations demonstrates his commitment to being at the cutting edge of medical development. No wonder he is considered the best laparoscopic surgeon in Doddaballapur, Bangalore. Dr Praveen specialises in treating obesity and its associated diseases as a bariatric surgeon. He is committed to offering each patient individualised care and is thoroughly aware of the difficulties experienced by people who struggle with weight control. He

helps patients get thinner soundly by utilising forefront laparoscopic strategies, which work on their overall well-being and improve their quality of life. Past bariatric medical procedures, Dr Praveen also does various conventional surgical treatments. With his comprehensive knowledge and technical proficiency, he effectively diagnoses and treats various conditions, including gastrointestinal disorders, hernias, appendicitis, gallbladder diseases, and more. His patients benefit from his meticulous approach, ensuring accurate diagnosis and precise surgical interventions. Throughout his career, Dr Praveen has earned recognition for his contributions to the field of surgery. In 2009, he was honoured with the ASICON Award, reflecting his exceptional skills and knowledge. He has also showcased his expertise by representing Rajasthan State in the All India Surgical Quiz held at the same conference in Coimbatore. Dr Praveen has been registered with the Karnataka Medical Council under registration number 78199 since 2007. This accreditation is a testament to his adherence to professional standards and commitment to providing ethical and quality healthcare. Dr Praveen S. has established himself as a reputable medical expert in general and laparoscopic surgery because of his caring demeanour and dedication to patient welfare. He can give his patients the finest care possible thanks to his extensive expertise, advanced training, and commitment to remaining current with new developments. Patients may rely on Dr Praveen for complete and individualised healthcare solutions, including essential therapy or a complicated surgical operation.
