

**DR. SUNIL SUDARSHAN HOSKOTE**

Consultant - General Surgery

**Qualification**

MBBS | MS (General surgery)

## Overview

General surgeon Dr. Sunil Sudarshan Hoskote is an expert consultant with years of expertise. He has established himself as a recognized practitioner in his area because of his solid educational background and thorough training. Dr.  Hoskote is famous for his capability in various careful procedures, including thyroid operations, oncoplastic surgery, laparoscopic surgery, skin-sparing mastectomies, sentinel lymph node biopsy, and mastectomies (including modified radical and skin-sparing mastectomies). Dr.  Hoskote holds an MBBS degree from Father Muller Medical College in Mangalore, which he completed in 2006. He further pursued his specialization in General Surgery and obtained an MS degree from Rajiv Gandhi University of Health Sciences in 2011. His academic achievements reflect his dedication to continuous learning and professional development. Dr.  Hoskote actively engages in professional networking and keeps up with the most recent developments in surgical techniques as a member of prestigious organizations like the European Society of Surgical Oncology (ESSO), the Surgical Society of Bangalore, and the Association of Surgeons of India. Moreover, these affiliations give him a

forum for working with and gaining from different specialists, propelling his insight and keeping him at the highest point of his field. Dr.  Hoskote's proficiency extends to multiple languages, enabling effective communication and understanding with patients from diverse backgrounds. He is fluent in English, Kannada, Telugu, and Hindi, facilitating clear and comprehensive consultations with his patients. No wonder he is regarded as the best general surgeon in Doddaballapur. Dr. Sunil Sudarshan Hoskote's linguistic abilities allow him to establish rapport and trust, ensuring patients feel comfortable and well-informed throughout their medical journey. Dr.  Sunil Sudarshan Hoskote gives his patients complete surgical treatments with a wide range of services. His specialities include laparoscopic sleeve resection, vascular trauma, thyroid surgery, laparoscopic appendicectomy, trauma surgery, endoscopic surgery, appendicitis treatment, and sclerotherapy. He is also skilled in hernia repair surgery, colorectal surgery, cardiothoracic surgery, laparoscopic sleeve resection, and thyroid surgery. His skill in different operations exhibits his adaptability as a specialist and his commitment to giving his patients the best consideration conceivable. Dr.  Hoskote is registered with the Karnataka Medical Council and holds the registration number 75773 since 2007. This registration ensures that he adheres to the highest medical ethics and practice standards, assuring patients of his credibility and professionalism. Dr.  Sunil Sudarshan Hoskote is a reputable General Surgery Consultant thanks to his abundance of expertise. His dedication to patient care and proficiency in a variety of surgical techniques make him a useful member of the medical profession and an effective collaborator in advancing his patients' health and well-being.
