

DR. VINAYA BABU S

Senior Consultant - ENT Surgeon

Qualification

MBBS | MS

Overview

Dr. Vinaya Babu Sathyanarayana is an experienced ENT surgeon in Bangalore. He is currently practising as a Senior Consultant - ENT Surgery at Manipal Hospital Doddaballapur, Bangalore. With nearly two decades of clinical expertise in ear, nose, and throat care, Dr. Vinaya brings a strong academic and surgical background to every case he handles. He offers comprehensive ENT services, including diagnosis, medical management, and advanced surgical interventions. Known for his meticulous technique and evidence-based approach, he provides care that is both effective and tailored to each patient’s needs. His practice ranges from routine ENT procedures to complex surgeries involving the head, neck, and skull base. Dr. Vinaya holds an M.B.B.S. and an M.S. in ENT from Rajiv Gandhi University of Health Sciences. Over the years, he has cultivated deep expertise in treating a wide range of ENT disorders, performing surgeries like tympanoplasty, stapedotomy, FESS, endoscopic DCR, thyroidectomy, and head and neck tumour resections. His ability to manage emergencies, restore function, and preserve aesthetics sets him apart as a skilled ENT surgeon who places patient well-being at the core of his practice. He

has actively pursued professional development through several specialised training programmes, including advanced workshops in cochlear implants, skull base surgery, and head and neck oncology. He has contributed to national and international conferences and has published multiple research papers in reputed journals. This strong academic inclination keeps him updated with the latest advancements in ENT, ensuring that his patients benefit from cutting-edge medical and surgical care. Dr. Vinaya is proficient in using modern surgical tools and endoscopic techniques, offering minimally invasive options that promote faster recovery and reduced postoperative complications. His focus extends to functional restoration and long-term outcomes, especially in cases of chronic sinusitis, sleep apnoea, voice disorders, and otologic conditions. He adopts a structured, patient-centred approach, spending time on diagnosis, educating patients about their condition, and guiding them through each step of their treatment journey. Beyond surgeries, Dr. Vinaya is deeply committed to preventive ENT care. He encourages regular ear and sinus check-ups, early screening for voice changes, and proper hearing care, especially in children and elderly patients. His consultations reflect a strong emphasis on patient comfort, clarity in communication, and empathy, ensuring that even the most complex procedures are understood with confidence and ease. Fluent in English, Hindi, Kannada, and Telugu, Dr. Vinaya ensures comfortable communication with patients from diverse backgrounds. In his practice at Manipal Hospital, he is recognised for his clinical excellence, ethical standards, and holistic patient care. His role in advancing ENT services in Bangalore’s Doddaballapur region reflects both his leadership and medical vision.
