

DR. BHARATH T

Consultant - Gastroenterology

Qualification

MBBS | MD (General Medicine) | DNB (Gastroenterology)

Overview

Dr. Bharath T is a best medical gastroenterologist in Hebbal, Bangalore currently practising as a Consultant - Gastroenterology at Manipal Hospitals, Doddaballapur, Bangalore. He is renowned for his expertise and dedication to patient care. Dr. Bharath's journey in medicine began with an MBBS degree, followed by an MD in General Medicine and a DNB in Gastroenterology, showcasing his commitment to advancing his skills and knowledge in his field. His proficiency in gastroenterology was augmented by his one-year Advanced Endoscopy Fellowship at Manipal Hospitals. This allowed him to hone his skills even more in various advanced procedures. With such illustrious qualifications and knowledge, Dr. Bharath T has become one of the best gastrointestinal doctors in Bangalore. Dr. Bharath's field of expertise encompasses a wide range of endoscopic interventions. This includes endoscopy, polypectomy, endoscopic dilatation, colonoscopy, GI bleeding management, ERCP, capsule endoscopy, PEG tube insertion, and foreign body removal. This extensive expertise makes him a reliable medical practitioner. Additionally, Dr. Bharath T is multilingual and fluent in English, Hindi, Kannada, Telugu, and Tamil.

This versatility allows him to easily connect with patients, enabling effective communication with a diverse population. He can interpret the issues faced by the patients and their families in a hassle-free manner, ensuring effective treatment plans. Dr. Bharath's dedication to patient care extends beyond his clinical practice. He has been recognised for his contributions to the field and has presented talks at various medical conferences. Moreover, he has authored publications in esteemed journals, contributing valuable insights to the medical community. Dr. Bharath T’s contributions to medical literature include several impactful studies and publications. He has investigated critical topics such as sarcopenia in decompensated chronic liver disease and its association with serum testosterone levels in a single tertiary care centre, peripheral arterial disease in hypertensives and diabetics, and so on. He has published a case study on the predictors of morbidity and mortality in organophosphorus poisoning in a rural hospital in Karnataka. Another major contribution of Dr. Bharath is the publication of “Attempted Suicide with Enalapril: A Rare Case of Poisoning Shruthi Bettegowda.” His research endeavours demonstrate his commitment to advancing medical knowledge and improving patient outcomes by collaborating with leading medical experts. With his wealth of experience, expertise in advanced endoscopic procedures, and commitment to research and patient care, Dr. Bharath T stands as a trusted authority in the field of Gastroenterology, embodying excellence and compassion in healthcare as best gastroenterologist in Doddaballapur, Bangalore.
