

DR. MADHU KUMAR B S

Consultant - Anaesthesiology

Qualification

MBBS | Diploma in Anaesthesiology | DNB in Anaesthesiology

Overview

Dr. Madhu Kumar B S is an experienced anesthesiologist in Bangalore. He is currently practicing as a Consultant - Anaesthesiology at Manipal Hospital Doddaballapur, Bangalore. Dr. Kumar has over five years of expertise in the management of anaesthesia, covering general and regional anaesthesia techniques. His practice focuses on ensuring patient safety and comfort throughout surgical and non-surgical procedures. He is well-regarded for his preoperative and postoperative management skills, making him a trusted professional in his field. He is one of the Leading Anesthesiologists in Bangalore. Dr. Kumar has a strong educational foundation, with an M.B.B.S. from Kempegowda Institute of Medical Sciences in Bangalore, followed by a Diploma in Anaesthesia from Vijaynagar Institute of Medical Sciences, Bellary. He further specialized with a DNB in Anaesthesia from Sri Sathya Sai Institute of Higher Medical Sciences, Puttaparthi. This extensive education equips him with the knowledge and skills required to manage complex anaesthesia cases across a range of medical fields. His practical training also includes exposure to diverse areas, enhancing his ability to handle emergencies with efficiency and

professionalism. In addition to his technical skills, Dr. Kumar is proficient in preoperative evaluations, ensuring thorough assessments before any surgical procedures. This expertise enables him to identify and mitigate potential risks, making surgical outcomes safer for patients. He is also trained in Advanced Cardiac Life Support (ACLS) and Advanced Trauma Life Support (ATLS) guidelines, allowing him to respond effectively to trauma and cardiac emergencies. Dr. Kumar has demonstrated a strong commitment to public health and community service, actively participating in initiatives such as the National Polio Eradication campaign. His role involved providing vaccinations and educating families, showcasing his dedication to preventive healthcare. These efforts reflect his commitment to making a positive impact beyond his primary practice. Fluent in English, Kannada, Hindi, and Telugu, Dr. Kumar is able to communicate effectively with a diverse patient population. This language proficiency ensures that he can offer compassionate and clear guidance to patients and their families, fostering trust and comfort during medical procedures. "
