

DR. ANURADHA VINOD

Consultant - Paediatrics

Qualification

MBBS | DCH (Paediatrics) | DNB (Paediatrics) | STEP Fellow

Overview

Dr. Anuradha Vinod is a renowned paediatrician in Bangalore who works as a consultant at Manipal Hospitals, Electronic City. She has been working with the hospital for more than 20 years. In addition to general paediatrics, paediatric medicine, and asthma care, she has vast experience in paediatric allergy. She is also a well-known Patient Advice and Liaison Service (PALS) trainer. Dr. Anuradha is dedicated to delivering healthcare for children and is a member of the Indian Paediatric Association and the Karnataka Medical Council. With her excellent diagnostic skills and compassionate treatment, the doctor has gained a reputation for being one of the best paediatric doctors in Bangalore. Additionally, being fluent in numerous languages such as Hindi, Tamil, Kannada, and Malayalam, she ensures that all details are communicated without the language barrier being a problem. She is an honorary life member of the Indian Association of Paediatrics (IAP) and a co-author of the IAP Emergency Paediatrics chapter. In addition, she contributes to the Journal of Infectious Disease Antimicrobials. Dr. Anuradha Vinod has published in the paediatric infectious disease journal's international publishing lab, diagnosing brucellosis. She has

also participated in numerous newspaper interviews. She has participated in discussions about news pieces appearing in Bangalore Mirror and The New Indian Express.
