Overview

Dr. Naveen Kumar L.V is an internationally celebrated orthopaedic surgeon, sports medicine specialist, and robotic joint replacement expert in Electronics City, Bengaluru. He brings over 27 years of extensive clinical and surgical experience, including 14 years of advanced practice and training in the United Kingdom and Germany. Currently practising as Consultant - Orthopaedics at Manipal Hospital, Electronics City, Bengaluru (with expanded services across Manipal Hospital, Sarjapur Road), Dr. Naveen is widely recognised as one of the best orthopaedic and robotic joint replacement surgeons in Electronics City, Bengaluru. With a portfolio of 10 academic and specialist qualifications, the highest among orthopaedic surgeons in Karnataka, he is the prestigious "Sir John Charnley Gold Medallist" at Wrightington Hospital, UK, and his name and portrait are permanently etched in the Hall of Fame at both Wrightington Hospital (Lancashire, UK) and Koenig-Ludwig-Haus Hospital (Würzburg, Germany). Dr. Naveen completed his undergraduate medical education (MBBS) at BLDEA’s Medical College, Bijapur, securing 3rd Rank and distinction in Karnataka University,

followed by an MS in Orthopaedics from Kasturba Medical College (KMC), Manipal. He then spent over 14 years in the United Kingdom, training and working at premier centres including Wrightington Hospital (Wigan), University Hospital (Cardiff), and Withybush Hospital (Haverfordwest). During his tenure in the UK and Europe, he accomplished an unprecedented series of subspecialty credentials: FRCS Orth (England) with distinction in Part 1; MCh in Hip & Knee from Edge Hill University (Merit); MSc in Orthopaedics from Salford University (Merit); European Board Certification (FEBOT, Portugal) achieved with a 90% distinction; Dip SICOT (Italy) as Overall Topper; MRCGP (UK); Diploma in Football Medicine from FIFA (Switzerland); and Fellowship of the Faculty of Sports and Exercise Medicine (FSEM, UK). He also completed prestigious fellowships in arthroplasty, arthroscopic surgery, and periprosthetic trauma in Germany and the UK, and was honoured as the Best Trainee by the British Indian Orthopaedic Society (BIOS). At Manipal Hospital Electronics City, Dr. Naveen Kumar L.V leads high-volume operative programmes covering complex joint reconstructions and sports trauma. As a top robotic joint replacement and sports injury specialist in Electronics City, Bangalore, his surgical repertoire includes Mako Stryker-certified robotic hip and knee replacements, complex primary and revision hip and knee surgeries, distal and proximal femoral replacements, and pelvi-acetabular reconstructions. In arthroscopy and sports medicine, he performs advanced knee, shoulder, ankle, and wrist arthroscopic procedures, including multi-ligament and ACL reconstructions, meniscal repairs, chondroplasty, computer-navigated shoulder replacements, rotator cuff repairs, and shoulder labral repairs. He also possesses advanced clinical expertise in biological joint preservation, stem cell therapy, and cartilage regeneration. A prolific clinical academician and researcher, Dr. Naveen has authored landmark publications in leading journals such as The Bone & Joint Journal, Bone & Joint Open, Journal of Orthopaedic Case Reports, and Irish Journal of Medical Science, addressing complex knee revisions with bone loss, proximal femoral

replacements, and bucket-handle meniscal repairs. He has served as faculty for MCh/FRCS preparation courses in the UK and has presented his research on podiums globally. His excellence in healthcare has been recognised with numerous honours, including the "Service Excellence in Sports Injury Surgeries" (Health Excellence Award, 2025) and "Excellence in Sports Orthopaedics & Regenerative Medicine" (Dr. APJ Abdul Kalam Health Awards, 2024). He holds memberships with the General Medical Council (UK), Karnataka Medical Council, Indian Orthopaedic Association (IOA), Indian Arthroscopy Society, British Indian Orthopaedic Society (BIOS), SICOT, and the Bangalore Orthopaedic Society. Fluent in English, Kannada, Hindi, and Telugu, Dr. Naveen pairs unmatched surgical precision with clear, empathetic patient counselling, ensuring accurate diagnostics, personalised surgical pathways, and rapid, functional rehabilitation for athletes and individuals alike.
