

DR. MAHASWETA CHOUDHURY

Lead Consultant - Emergency Medicine

Qualification

MBBS | DNB (Emergency Medicine)

Overview

Dr. Mahasweta Choudhury is an experienced emergency medicine specialist in Electronic City, Bangalore, with over 10 years of extensive clinical experience in managing critical medical, cardiac, surgical, and traumatic emergencies. She currently serves as Lead Consultant – Emergency Medicine at Manipal Hospital Electronic City. Dr. Choudhury possesses advanced clinical expertise in accident and trauma resuscitation, acute cardiac emergencies, Point-of-Care Ultrasound (POCUS), procedural sedation, and advanced airway management, positioning her among the leading emergency care physicians in Electronic City. Dr. Choudhury completed her MBBS and DNB in Emergency Medicine, building specialised expertise in the assessment and management of patients presenting with acute and life-threatening conditions. Her clinical experience encompasses emergencies across different age groups, including cardiac, pulmonary, medical, surgical, paediatric, and trauma presentations. She combines structured emergency assessment with timely intervention and multidisciplinary coordination to support patients during critical situations. At Manipal Hospital Electronic City, Dr.

Mahasweta Choudhury leads emergency care operations across a diverse spectrum of acute presentations. Her clinical practice focuses on rapid diagnostic assessment and lifesaving interventions for patients of all age groups, including paediatric emergency care. She specialises in trauma resuscitation, acute coronary syndrome management, severe respiratory distress, acute abdominal emergencies, and complex toxicology cases, employing point-of-care ultrasound (POCUS) and advanced airway management for optimal patient stabilisation. Beyond her clinical practice, Dr. Choudhury is deeply committed to emergency medicine research, triage system optimisation, and operational quality improvement. Her academic excellence and leadership have been recognised with notable distinctions, including a Gold Medal in Pharmacology and winning the CPC Faculty Award at Aemecon 2025. She actively contributes to the speciality through her affiliations with leading professional bodies, including the Karnataka Emergency Medicine Association (KEMA), Emergency Medicine Association of India (EMA), Society for Emergency Medicine India (SEMI), and the Society of Acute Care, Trauma and Emergency Medicine (SACTEM). This seamless blend of clinical expertise, academic rigour, and dedication to process improvement defines her holistic approach to emergency care. Fluent in English, Hindi, Bengali, and Kannada, Dr. Choudhury has broad experience in emergency medicine, combined with her interest in trauma care, resuscitation, education, and emergency department quality improvement. She provides timely and structured care for patients presenting with a wide range of acute medical and traumatic conditions, making her one of the best emergency medicine specialists in Electronic City.
