Overview

Dr. Naveen Kumar S is an experienced anaesthesiologist in Electronic City with over 9 years of experience in anaesthesiology, perioperative care, and critical care management. He is currently practising as a Consultant – Anaesthesia at Manipal Hospital Electronic City. Dr. Naveen has developed specialised expertise in general and regional anaesthesia, high-risk surgical anaesthesia, difficult airway management, robotic-assisted surgery, and anaesthesia for complex oncology, thoracic, and major gastrointestinal procedures. His experience in managing technically demanding surgical cases makes him the best anaesthesiologist in Electronic City with a strong focus on patient safety, clinical precision, and comprehensive perioperative care. Dr. Naveen Kumar S completed his MBBS from Raja Rajeshwari Medical College and subsequently earned his DNB in Anaesthesia from Fortis Hospital, Bangalore. His specialist training provided him with a strong foundation in the principles and practice of anaesthesia, including preoperative assessment, intraoperative monitoring, airway management, regional techniques, and postoperative care. Over the course of his clinical practice, he has developed experience across a

broad spectrum of surgical specialties and patient profiles. At Manipal Hospital Electronic City, Dr. Naveen Kumar S provides anaesthesia services for patients undergoing a wide range of surgical procedures. His clinical expertise includes general and regional anaesthesia, perioperative and critical care management, high-risk surgical anaesthesia, anaesthesia for robotic-assisted surgeries, head and neck oncosurgery, thoracic surgery, and major gastrointestinal surgery. His approach involves careful preoperative assessment and planning, appropriate anaesthetic technique selection, vigilant intraoperative monitoring, and postoperative management according to each patient's clinical requirements. Dr. Naveen has particular experience in high-risk and complex surgical anaesthesia, where detailed planning and close monitoring are essential. His clinical exposure includes patients undergoing major oncology, thoracic, gastrointestinal, and robotic procedures. His expertise also includes anaesthesia for robotic-assisted surgeries and thoracic and major gastrointestinal surgeries, where appropriate ventilation strategies, fluid management, analgesia, and postoperative monitoring are important components of comprehensive care. Dr. Naveen is certified in Advanced Cardiac Life Support (ACLS), Basic Life Support (BLS), and Paediatric Advanced Life Support (PALS). His clinical approach emphasises preparedness, vigilance, patient safety, and timely intervention. Dr. Naveen is a member of the Indian Society of Anaesthesiologists and the Indian Medical Association, reflecting his engagement with the professional medical community. Fluent in Kannada, English, and Hindi, Dr. Naveen communicates easily, explains the role of anaesthesia, addresses patient concerns, and ensures patients are appropriately assessed and prepared before surgery. With his broad perioperative experience and specialised expertise in complex and high-risk surgical anaesthesia, Dr. Naveen Kumar S is recognised as one of the best anaesthesiologists in Electronic City.
