

DR. VINAYAK KURLE

Consultant – ENT and Head & Neck Oncology

Qualification

MBBS | MS (Oto Rhino Laryngology)

Overview

Dr. Vinayak Kurle is an experienced ENT and Head & Neck Oncology specialist in Electronics City with 14 years of clinical experience in the evaluation and management of ear, nose, throat, and head and neck conditions. He is currently practising as a Consultant – ENT and Head & Neck Oncology at Manipal Hospital Electronics City. Dr. Kurle’s clinical experience and focused training in head and neck oncology position him among the best ENT oncology specialists in Electronics City for specialised ENT and head and neck care. Dr. Vinayak Kurle completed his Bachelor of Medicine and Bachelor of Surgery (MBBS), followed by a Master of Surgery (MS) in Oto Rhino Laryngology. He further advanced his training through a fellowship in Head & Neck Oncology, developing focused expertise in diagnosing and surgically managing head and neck conditions requiring oncological care. At Manipal Hospital Electronics City, Bangalore, Dr. Vinayak Kurle provides specialist care across the fields of ENT and Head & Neck Oncology. He is trained in managing a broad range of ENT conditions and head and neck disorders. Dr. Kurle's expertise extends to head and neck oncology, where careful clinical assessment and structured treatment planning

are important for patients with suspected or confirmed head and neck conditions. His specialised training enables him to manage patients requiring oncological evaluation and surgical intervention while considering the functional and anatomical aspects of treatment. Dr. Vinayak Kurle's professional interests include diagnosing and managing ENT disorders, head and neck conditions, and diseases requiring specialist oncological assessment. He is also involved in academic and professional activities in ENT and Head & Neck Oncology. His focused expertise has established him as one of the best ENT oncology specialists in Electronics City for comprehensive specialist evaluation and treatment. Dr. Vinayak Kurle's fluency in English, Kannada, and Hindi enables him to communicate effectively with patients from diverse backgrounds. He emphasises clear communication during consultations and treatment planning, helping patients understand their condition, available treatment options, and the expected course of care.
