

DR. RAJESH B M

Consultant - Surgical Gastroenterology, GI Oncology, Advanced Laparoscopy and Robotic Surgery

Qualification

MBBS | MS (General Surgery) | DNB (Surgical Gastroenterology) | FMAS

Overview

Dr. Rajesh B M is a distinguished surgical gastroenterologist, GI oncosurgeon, advanced laparoscopic specialist, and robotic surgeon in Electronics City, Bangalore, with over 15 years of comprehensive surgical experience. He currently serves as Consultant – Surgical Gastroenterology, GI Oncology, Advanced Laparoscopy & Robotic Surgery at Manipal Hospital Electronics City. Dr. Rajesh B M possesses specialised expertise in complex gastrointestinal cancer surgery, Hepato-Pancreato-Biliary (HPB) surgery, advanced laparoscopic procedures, robotic GI surgery, colorectal malignancies, inflammatory bowel disease (IBD), and laser proctology. His evidence-based surgical precision and focus on minimally invasive outcomes establish him as one of the best surgical gastroenterologists in Electronics City. Dr. Rajesh B M completed his MBBS, followed by an MS in General Surgery, and pursued DNB Super-specialisation in Surgical Gastroenterology. He has also completed FMAS, reflecting additional training in minimally invasive surgery. He has experience managing complex gastrointestinal conditions requiring multidisciplinary surgical planning and has been exposed to pancreatic surgery, biliary surgery, liver

surgery, colorectal procedures, emergency gastrointestinal surgery, and critical care. At Manipal Hospital Electronics City, Dr. Rajesh B M manages patients requiring specialist surgical gastroenterology and advanced minimally invasive surgical care. His experience in GI oncology includes the surgical management of gastrointestinal malignancies and complex colorectal conditions. He has presented academic work related to colorectal malignancy, including a paper on intra-operative colonic lavage in left-sided colorectal malignancy and a prospective observational study examining the prognostic implications of carcinoembryonic antigen in colorectal adenocarcinoma. Dr. Rajesh also has specialised expertise in Hepato-Pancreato-Biliary surgery. His advanced surgical training included exposure to complex pancreatic, biliary, and liver procedures, as well as liver transplantation. He has also presented academic work relating to blunt liver trauma and its surgical management, reflecting his interest in complex hepatobiliary and emergency gastrointestinal surgery. Dr. Rajesh’s specialist interest in robotic-assisted procedures forms part of his broader focus on minimally invasive gastrointestinal surgery. His academic involvement in colorectal surgery includes presentations at national surgical gastroenterology conferences on colorectal malignancy and surgical management. His experience in colorectal procedures is supported by dedicated training in Surgical Gastroenterology and advanced minimally invasive surgery. Dr. Rajesh has been actively involved in academic activities throughout his surgical career. He has presented papers and posters at national and state-level conferences and participated in academic forums and Gut Clubs. He is a Life Member of the Association of Surgeons of India (ASI), Indian Association of Surgical Gastroenterology (IASG), Indian Medical Association (IMA), and the Karnataka Association of Surgical Gastroenterologists and GI oncosurgeons (KASGO). Fluent in Kannada, English, Hindi, Malayalam, and Telugu, Dr. Rajesh provides compassionate, multidisciplinary surgical care, making him one of the best surgical gastroenterologists in Electronics City.

Fellowship & Membership

- Life Member of Association of Surgeons of India (ASI) since 2014
- Life Member of Indian Association of Surgical Gastro-enterology (IASG) since 2018
- Life Member of Indian Medical Association (IMA)
- Life member of Karnataka Association of Surgical Gastroenterologists and GI oncosurgeons (KASGO)

Field of Expertise

- Gastrointestinal Onco-Surgery
- HPB Surgery
- Advanced Laparoscopy
- Colorectal Surgery
- Robotic Surgery
- Laser Proctology

Languages Spoken

- Kannada
- English
- Hindi
- Malayalam
- Telugu

Awards & Achievements

- Bagged 2nd prize on paper presentation -" Thyroid surgery - is

drain still a necessity ? " at KSC ASICON 2012 Hubli.
- Won 2nd prize among all delegates in state level gastro quiz competition in ASGKCON 2019, Calicut

Talks & Publications

- Paper presentation at IASG 2017 in JIPMER, Pondicherry – “Intra-operative colonic lavage in left sided colorectal malignancy- our experience
- “Presentations at IASG 2018 Chandigarh “Prognostic implication of CEA (Carcinoembryonic antigen) in colorectal adenocarcinoma- a prospective observational study” and “ Exploration in blunt liver trauma may increase complications and mortality”
- Participated on debate for Robotic cholecystectomy in SURGX 2026 Robotic CME
