

DR. SUMANTH L

Consultant - Orthopaedics

Qualification

MBBS | MS (UCMS, New Delhi) | MRCS (England) | DNB | MNAMS | FIJR (England and Mumbai)

Overview

Dr. Sumanth L is a highly accomplished orthopaedic surgeon, robotic joint replacement specialist, and sports injury expert in Electronic City, Bangalore, with over 13 years of surgical experience. He currently serves as Consultant – Orthopaedics at Manipal Hospital Electronic City. Dr. Sumanth possesses advanced expertise in robotic-assisted knee and hip replacement, knee and shoulder arthroscopy, sports injury rehabilitation, and complex trauma reconstruction. His precision-focused surgical approach and compassionate patient care establish him as one of the best orthopaedic surgeons in Electronic City. Dr. Sumanth completed his MBBS and subsequently pursued his MS in Orthopaedics. He further obtained MRCS (England), DNB, and MNAMS, strengthening his academic and professional foundation in orthopaedic surgery. He also completed fellowship training in joint replacement surgery, giving him comprehensive experience in joint reconstruction, trauma surgery, arthroscopy, and modern approaches to knee and hip replacement. At Manipal Hospital Electronic City, Dr. Sumanth provides comprehensive orthopaedic care encompassing robotic joint replacement, arthroscopic surgery, sports injuries, and complex

trauma. His clinical expertise covers a broad spectrum of orthopaedic conditions, including degenerative joint disorders, sports injuries, fractures, ligament and meniscal injuries, and conditions requiring joint replacement. Dr. Sumanth performs robotic-assisted knee and hip replacement procedures for appropriately selected patients with advanced joint disease. In sports medicine and arthroscopy, Dr. Sumanth specialises in keyhole procedures for ligament reconstructions (ACL/PCL), meniscus repairs, rotator cuff tears, shoulder labral repairs, and recurrent shoulder dislocations. His extensive tertiary trauma experience enables him to manage high-energy complex intra-articular fractures, multi-fragment injuries, and neglected trauma cases with anatomical fixation. A dedicated academician, Dr. Sumanth actively trains undergraduate and postgraduate orthopaedic students and has authored multiple peer-reviewed publications in national and international medical journals. Guided by a patient-first philosophy, he takes time to ensure patients and their families thoroughly understand their condition and treatment choices. Fluent in Kannada, Hindi, Telugu, and English, Dr. Sumanth delivers personalised, ethical care, making him one of the best orthopaedic surgeons in Electronic City.
