

DR. RASHMI BV

Lead Consultant - Paediatrics

Qualification

MBBS | DNB (Paediatrics) | Membership of the Royal College of Paediatrics and Child Health (MRCPCH), UK.

Overview

Dr. Rashmi BV is an accomplished senior paediatrician and newborn care specialist in Electronics City, Bengaluru. She brings over two decades of dedicated clinical experience in comprehensive child healthcare, neonatal management, growth monitoring, and preventive paediatrics. Dr. Rashmi BV is currently practising as a Lead Consultant – Paediatrics at Manipal Hospital Electronics City, Bengaluru, where she delivers structured, evidence-based, and family-centred medical care for newborns, infants, children, and adolescents. Known for her calm demeanour, ethical medical approach, and clinical leadership, Dr. Rashmi is regarded as one of the best paediatricians in Electronics City, Bangalore. Dr. Rashmi completed her undergraduate medical education (MBBS) from M S Ramaiah Medical College and Teaching Hospital, Bangalore. She completed her specialised paediatric postgraduate training at Kanchi Kamakoti CHILDS Trust Hospital, Chennai, where she obtained her Diplomate of National Board (DNB) in Paediatrics. She further attained international recognition by earning her Membership of the Royal College of Paediatrics and Child Health (MRCPCH), UK. At Manipal Hospital Electronics City, Dr. Rashmi BV

leads a multidisciplinary team focused on delivering high-standard paediatric and neonatal services within a safe and child-friendly clinical environment. As a top child specialist in Bangalore, her clinical focus spans newborn care, neonatal stabilisation, developmental surveillance, preventive paediatrics, child growth and nutrition, and routine childhood immunisation. She manages a wide range of everyday and complex childhood conditions, including severe paediatric infections, acute childhood illnesses, and long-term developmental tracking. A committed contributor to paediatric academics and clinical research, Dr. Rashmi BV has guided numerous postgraduate dissertations and published papers in national and international medical journals. She has delivered invited lectures at medical conferences and organised several paediatric conferences and Continuing Medical Education (CME) programmes. She holds active professional memberships with the Indian Academy of Paediatrics (IAP) and the Royal College of Paediatrics and Child Health (MRCPCH, UK). Fluent in English, Hindi, Kannada, Tamil, and Telugu, Dr. Rashmi combines extensive diagnostic acumen with clear, empathetic communication, ensuring parents receive transparent explanations, practical lifestyle guidance, and compassionate support throughout their child's healthcare journey.
