

DR. ARGHYA MUKHERJEE

Senior Consultant – Anaesthesiology

Qualification

MD (Anaesthesiology) | FIPM(Pain management) | CCEPC (Palliative care)

Overview

Dr. Arghya Mukherjee, a Consultant in the Department of Pain and Palliative Medicine at Manipal Hospitals E.M. Bypass, Kolkata, holds an MD in Anaesthesiology, FIPM in Pain Management, and CCEPC in Palliative Care. As a university-certified expert in pain management with a solid foundation in anaesthesiology, Dr. Mukherjee has been instrumental in providing relief and improving the quality of life for patients suffering from acute and chronic pain. Leveraging his expertise in advanced, minimally invasive interventional procedures, he adopts a holistic approach to pain management tailored to the unique needs of each patient. Dr. Mukherjee's fields of expertise include ultrasound-guided and fluoroscopy-guided interventional pain management techniques, particularly for chronic and cancer-related pain. His dedication extends beyond clinical practice to raising awareness about pain management; he has actively organised and participated in educational initiatives, serving as the Organising Secretary for multiple CME events on cancer pain and WBSSPCON 2018. Beyond his medical practice, Dr. Mukherjee is an advocate for physical and mental well-being, channelling his passion through

regular practice of yoga and martial arts, embodying the principles of holistic health in his professional and personal life.
