

DR. INDRANI BASAK SANYAL

Associate Consultant - Radiology & Imaging

Qualification

MBBS | MD Radiodiagnosis

Overview

Dr. Indrani Basak Sanyal is an Associate Consultant in the Department of Radiology & Imaging at Manipal Hospitals, E.M. Bypass, Kolkata, with extensive expertise in advanced imaging techniques and diagnostic precision. Having earned her MBBS in 2015 and an MD in Radiodiagnosis in 2020, she has developed a strong proficiency in interpreting a wide range of imaging modalities, including X-ray, MRI, CT, and ultrasound, ensuring accurate diagnoses that form the cornerstone of effective treatment plans. Dr. Sanyal specializes in image-guided procedures and interventional radiology, leveraging state-of-the-art Radiology Information Systems (RIS) and Picture Archiving and Communication Systems (PACS) to streamline workflow and enhance diagnostic accuracy. With a deep commitment to patient care, she brings strong analytical skills, meticulous attention to detail, and a collaborative approach, working seamlessly with multidisciplinary teams to provide comprehensive medical insights. Her dedication to continuous professional development and staying abreast of the latest advancements in radiology ensures that patients receive the most cutting-edge diagnostic evaluations and minimally

invasive interventions. Beyond her technical expertise, her excellent communication and teamwork abilities make her a trusted specialist, ensuring both clinicians and patients receive precise and actionable radiological insights.
