

DR. SOUVIK ROY CHOUDHURY

Consultant - ENT

Qualification

MS (ENT) | RCPS London | Affiliated training in Cochlear Implant Surgery | Fellowship in Sleep Apnoea (OSA) Surgery from Asia Sleep Centre Singapore

Overview

Dr. Souvik Roy Choudhury is one of Kolkata's most renowned ENT specialists, with a reputation for his compassionate care and exceptional surgical expertise. Currently practising as a consultant in the Department of Ear, Nose, and Throat (ENT) at Manipal Hospitals E.M. Bypass, Kolkata, Dr. Roy Choudhury is known for his patient-centric approach, which has earned him the trust and respect of his patients over the years. With more than 13 years of experience in the field of ENT, he has mastered a wide range of surgical and medical treatments for conditions affecting the ear, nose, and throat. Dr. Roy Choudhury has specialised expertise in skull-base surgery, a highly complex and delicate procedure that requires precision and advanced skill. His competence in performing intricate surgeries involving the larynx and his ability to treat Vertigo and migraine symptoms are highly regarded. Additionally, he is skilled in various microsurgeries of the larynx, which is crucial for patients requiring delicate voice box surgeries. His expertise also extends to treating various ear, nose, and throat disorders, ensuring that his patients receive optimal care for a variety of conditions. An advocate for the latest advancements in surgery, Dr. Roy Choudhury is a board-certified surgeon in Minimally

Access Surgery. This technique allows for the treatment of ENT disorders with smaller incisions, reducing patient recovery times and improving overall outcomes. In addition to his practical experience, Dr. Roy Choudhury has earned several qualifications to support his expertise. He recently completed a Fellowship Diploma in Anterior Skull Base Surgery in 2023 from Ramaiah University, which further augments his proficiency in treating rare and complicated conditions involving the skull base. Dr. Roy Choudhury previously served as a Consultant at a renowned Hospital, Kolkata, where he garnered extensive experience and built his reputation as a trusted and skilled ENT specialist. His professional memberships, which reflect his standing in the medical community, include affiliations with several prestigious organisations related to Otorhinolaryngology and Head and Neck Surgery.
