

**DR. DEBOPRIYO MONDAL**

Consultant - Interventional Cardiology

**Qualification**

MBBS | MD - Internal Medicine | DM - Cardiology | FSCAI (USA) | Ex. Assistant Professor AIIMS | DNB - Cardiology

## Overview

Dr. Debopriyo Mondal is a distinguished Interventional Cardiologist based in Kolkata, India, recognized for his exceptional academic achievements and dedication to advancing Cardiac care. Currently serving as a Consultant in the Department of Cardiology at Manipal Hospitals E.M. Bypass, Kolkata, he brings a wealth of knowledge and expertise to his practice. Dr. Mondal completed his DM Cardiology training at the prestigious Sree Chitra Thirunal Institute of Medical Sciences and Technology, Trivandrum, a globally renowned institute of national importance. Before joining Medica Institute of Cardiac Sciences, he held the position of Assistant Professor at AIIMS, further honing his clinical and academic skills. With over five years of experience in the field, he is adept at integrating the latest technologies and adhering to national and international guidelines to ensure optimal patient care. Dr. Mondal’s areas of expertise include complex coronary interventions, cardiac implantable electronic devices (CIEDs) with conduction system pacing, electrophysiological studies and radiofrequency ablation for arrhythmias, and device closures. His medical journey is marked by numerous accolades: a gold medal in

pharmacology, honors in multiple subjects, and top rankings at the West Bengal University of Health Sciences and Guru Gobind Singh Indraprastha University. Dr. Mondal also achieved his MD in Internal Medicine from PGIMER, RML Hospital, New Delhi, one of India's most esteemed institutions. Among his professional achievements are awards for best poster presentations at APICON 2015, best paper awards at CSI Kerala 2018, and contributions to published research papers. Driven by a passion for innovation and safety in patient care, Dr. Mondal is deeply committed to delivering state-of-the-art cardiac treatments and supporting the healthcare needs of his community.

### Fellowship & Membership

- FSCAI ( Fellow of the Society of Coronary Angiography and Interventions. USA )
- FAPSIC ( Fellow Asia Pacific Society of Interventional Cardiology )

### Field of Expertise

- Complex Coronary Interventions, Structural Heart Interventions
- Cardiac Implantable Electronic Devices (CIED) including conduction system pacing
- Electrophysiology
- Arrhythmias and Radiofrequency ablation
- Device Closure
- Heart Failure

### Languages Spoken

- English
- Hindi

- Bengali

## Awards & Achievements

- A fee waiver scholarship for being within the top 10 students in college every year.
- Gold medal in Pharmacology.
- Honours marks in Physiology, Pharmacology, Ophthalmology, Medicine, Obstetrics and Gynaecology. (more than 75%).
- Second highest marks in Medicine and Obstetrics and Gynaecology in WBUHS in the year 2011.
- Achieved MD degree from PGIMER, RML Hospital, one of the most sought-after institutions for graduates seeking internal medicine residency in India.
- Best outgoing student 2016 with the highest marks in internal Medicine at the university (GGSIPU).
- Best poster award in 2015 APICON, held in Gurgaon.
- Oral case presentations at regional and national level conferences.
- Paper publications as a co-author.
- Best paper award -CSI annual conference, Kerala chapter 2018.
