

DR. JAYA CHOUDHARY

Senior Consultant - Anaesthesiology

Qualification

MBBS | M.D. - Anaesthesia | PDCC - Cardiac Anaesthesia | FIPM | IDRA | EDRA

Overview

Dr. Jaya Choudhary, Senior Consultant in the Department of Anaesthesiology at Manipal Hospitals, E.M. Bypass, Kolkata, brings over two decades of expertise in Anaesthesia, Pain management, and Regional anaesthesia. Having earned her MBBS in 2003, she further specialized with an M.D. in Anaesthesia (2006), followed by a PDCC in Cardiac Anaesthesia (2007). Committed to continuous learning, she obtained FIPM (2014), IDRA (2019), and the prestigious EDRA (2024), reinforcing her authority in the field. A leading academician, Dr. Choudhary is a dedicated faculty examiner for DNB Anaesthesiology, having assessed final practical examinations at top institutions. She also serves as an external examiner for the DNB FAT Exam and actively contributes to the advancement of medical literature as a reviewer for the esteemed Indian Journal of Anaesthesia. Passionate about regional anaesthesia and airway management, she has conducted hands-on cadaveric and clinical workshops at globally renowned conferences, including the European Society of Regional Anaesthesia Congresses in Prague (2024) and Paris (2023), as well as the Asian and Oceanic Society of Regional Anaesthesia and Pain

Medicine Conference in Mumbai (2022). She also led a comprehensive airway management workshop in 2023, underscoring her commitment to knowledge dissemination and skill development. With a robust academic background and hands-on expertise, Dr. Choudhary remains at the forefront of Anaesthesia innovations, ensuring patient safety and excellence in perioperative care. Her contributions to clinical practice, education, and research solidify her reputation as a trusted expert in Anaesthesiology, making her an invaluable asset to Manipal Hospitals, Kolkata.
