

## **DR. PRADEEPTA KUMAR SETHY**

Director & Senior Consultant - Medical Gastroenterology

### **Qualification**

MBBS | MD - Internal Medicine | DM - Gastroenterology | FACG

### **Overview**

Dr. Pradeepta Kumar Sethy is a Director & Senior Consultant in Medical Gastroenterology at Manipal Hospitals, E.M. Bypass, Kolkata, with over 23 years of experience in diagnosing and treating complex gastrointestinal disorders. Holding an MBBS (1996), MD in Internal Medicine (1999), DM in Gastroenterology (2003), and FACG, Dr. Sethy has dedicated his career to providing advanced, patient-centric care while advocating for preventive healthcare and lifestyle modifications. His expertise spans a wide range of GI conditions, including inflammatory bowel disease (IBD), piles, Crohn's disease, ulcerative colitis, bloody vomiting, internal stomach bleeding, indigestion, and appetite loss. He specialises in gastroscopy, non-surgical piles treatment, liver disease management, hernia treatment, abdominal pain relief, colonoscopy, gastritis treatment, IBS management, colitis care, and ERCP procedures. Dr. Sethy's commitment to medical excellence is evident in his high success rate, and his approach integrates cutting-edge diagnostic techniques with compassionate patient care. He actively participates in national and international conferences, staying updated with global advancements in

gastroenterology. His precision-driven treatments, combined with a strong emphasis on health education and preventive care, make him a sought-after specialist in Kolkata's healthcare landscape. Whether addressing common digestive issues or handling complex GI disorders, Dr. Sethy is dedicated to enhancing patients' quality of life through personalised treatment plans and evidence-based medical interventions. For expert gastrointestinal care, book an appointment with Dr. Pradeepta Kumar Sethy at Manipal Hospitals, Kolkata today.
