Overview

Dr. Snigdhendu Chand is a Consultant in General & Minimal Access Surgery at Manipal Hospitals, E.M. Bypass, Kolkata, with over 15 years of patient care experience. As one of Kolkata's leading general and advanced laparoscopic surgeons, Dr. Chand specializes in laparoscopic surgery, laser proctology, colorectal surgery, robotic surgery, liver surgery, and bariatric (gastric bypass) surgery. He has earned multiple prestigious qualifications, including MBBS (1997), DNB - General Surgery (2010), FIAGES, FMAS, EFIAGES, CC Laser Proctology, FAGIE, FICRS (Robotic), FISCP, and FALS in Hernia, HPB, Robotic, and Bariatric Surgery, reflecting his expertise in minimally invasive and robotic-assisted surgical procedures. His comprehensive services cover endoscopy, liver disease treatment, appendicitis surgery, anorectal surgery, colorectal surgery, hernia repair, laser surgery, pancreas transplantation, and advanced gastrointestinal procedures. His vast surgical expertise extends to all types of adult and pediatric hernia repair, hiatus hernia repair, gallbladder (biliary) stone surgery, GI/HPB surgery, hepatobiliary surgery, laparoscopic appendix surgery, gastric

bypass surgery, ulcer treatment, pilonidal sinus surgery, fissure treatment, fistula operation, gastrectomy, and laser piles surgery. His proficiency in robotic colorectal surgery and laser-based proctology makes him a sought-after specialist for patients seeking minimally invasive, precision-driven treatment options. If you are looking for a highly skilled laparoscopic or robotic surgeon, Dr. Snigdhendu Chand's unmatched expertise ensures optimal patient outcomes with minimal recovery time.
