

DR. HIRAK SUVRA MAJUMDAR

Consultant - Cardiac Anaesthesiology

Qualification

MBBS | MD

Overview

Dr. Hirak Suvra Majumdar is a highly skilled Consultant in the Department of Cardiac Anaesthesiology at Manipal Hospitals, E.M. Bypass, Kolkata, bringing extensive expertise in anaesthesia management for complex cardiac procedures. With an M.B.B.S. (2009) and M.D. in Anaesthesiology (2015), he has honed his skills in adult and pediatric cardiac anaesthesia, neuroanaesthesia, labour analgesia, and pain management, ensuring patient safety and optimal surgical outcomes. His proficiency spans critical procedures such as endotracheal intubation, central venous and arterial cannulation, percutaneous tracheostomy, epidural anaesthesia, and ECMO (extracorporeal membrane oxygenation) cannulation and decannulation, making him a vital asset in high-risk surgical and ICU settings. Dr. Majumdar specialises in perioperative anaesthetic care for cardiothoracic surgeries, utilising cutting-edge techniques to enhance patient recovery and minimise complications. His expertise in paediatric anaesthesia ensures delicate care for young patients undergoing complex heart surgeries, while his proficiency in labour analgesia provides effective pain relief solutions for expecting mothers.

With a meticulous approach and a patient-centric focus, he plays a crucial role in the preoperative, intraoperative, and postoperative management of critically ill patients, contributing to improved clinical outcomes.
