

DR. SOUPTIK GANGOPADHYAY

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | MS-O&G | DNB-O&G | Fellowship in Advanced Laparoscopic Surgery | Da Vinci Certified Robotic Surgeon

Overview

Dr. Souptik Gangopadhyay is a Consultant in the Department of Obstetrics & Gynaecology at Manipal Hospitals, E.M. Bypass, Kolkata, with extensive expertise in robotic surgery and advanced laparoscopic procedures. Holding an MBBS (2012), MS (2016), DNB (2018), and MNAMS (2018), Dr. Gangopadhyay specialises in minimally invasive surgeries for fibroids, ovarian cysts, endometriosis, and complex pelvic diseases. His proficiency in high-risk pregnancy management ensures optimal maternal and fetal outcomes, making him a trusted expert in obstetric care. Passionate about gynecologic robotic surgery, he leverages technology to provide precise, minimally invasive treatments that reduce recovery time and enhance patient safety. Dr. Gangopadhyay's commitment to medical excellence is reflected in his numerous accolades, including the prestigious Shri Jogendranath Hazra Memorial Medal in Biochemistry, Shri Aswini Kumar Kanjilal Memorial Medal in Microbiology, Dr. Ashutosh Pal Memorial Medal in Ophthalmology, and Shri Ajit Kumar Ghosh Memorial Medal in ENT. His patient-centric approach, combined with his expertise in advanced surgical techniques, ensures comprehensive and compassionate care

for women dealing with reproductive health concerns. At Manipal Hospitals, Dr. Gangopadhyay remains at the forefront of innovation in gynaecological and obstetric care, utilising state-of-the-art robotic and laparoscopic procedures to deliver superior clinical outcomes. Whether managing complex pelvic diseases or ensuring safe deliveries in high-risk pregnancies, his dedication to excellence continues to set new benchmarks in women's healthcare.

Field of Expertise

- High-Risk Pregnancy
- Advanced Laparoscopic Surgery
- Robotic Surgery
