

## **DR. ANIRBAN CHATTERJEE**

Senior Consultant - Orthopaedics

### **Qualification**

M.B.B.S (Mumbai) | MS (Ortho) | DNB (Ortho) | MNAMS

### **Overview**

Dr. Anirban Chatterjee is a Senior Consultant in the Department of Orthopaedics at Manipal Hospitals, E.M Bypass, Kolkata, specialising in hand and pediatric orthopaedic surgery. With over 15 years of expertise, Dr. Chatterjee has built a reputation for his comprehensive skill set in treating a wide range of orthopaedic conditions, including trauma. He holds several prestigious qualifications, including MBBS, MS, and DNB. His expertise extends across pediatric orthopaedics, hand surgery, upper limb surgery, trauma surgery, bone tumour treatment, and fracture management. Dr. Chatterjee is particularly skilled in performing complex surgeries, such as those for hand and upper limb issues, trauma, wrist arthroscopy, and treating bone tumours. His extensive experience allows him to effectively manage both pediatric orthopaedic diseases and intricate fractures, ensuring optimal outcomes for his patients. Additionally, Dr. Chatterjee has completed fellowships in pediatric orthopaedics and hand surgery, further enhancing his proficiency in these specialised fields. As a co-author of research papers published in well-respected medical journals, Dr. Chatterjee has contributed to advancing the knowledge base in

orthopaedics. With his compassionate care and advanced surgical techniques, Dr. Anirban Chatterjee remains a trusted and highly regarded orthopaedic surgeon in Kolkata, committed to improving his patients' quality of life through personalised treatment plans and state-of-the-art procedures. Dr. Chatterjee has been part of the DNB (Orthopaedics) postgraduate training program under the aegis of the National Board of Examinations, New Delhi, since 2013.
