

DR. MITHILESH KUMAR TIWARY

Consultant - Anesthesiology

Qualification

MBBS | DA - Anesthesia

Overview

Dr. Mithilesh Tiwary owns profound experience in the management of difficult airways in a safe and precise way. He also possesses considerable expertise in performing invasive arterial and central venous cannulations, including pulmonary artery catheterization. He is adept in paediatric anaesthesia, and understands the specific needs of young patients. He is sure-handed in regional anaesthesia techniques including ultrasound-guided peripheral nerve blocks and epidural catheterization. Dr. Tiwary takes active participation in pre-operative assessments for the optimal patient outcomes and is an expert in pain management, especially in pediatric cases. His basic medical training involves a compulsory internship and house staffship at M.G.M. Medical College and Telco (Tata Motors) Hospital in Jamshedpur. In addition, he has been actively associated with NABH and Green OT audits, to help maintain high standards of safety and quality in the operating theatre. He is also responsible for managing clinical quality indicators within the OT, in order to aid in the continuous improvement of healthcare services. Dr. Tiwary is a life member of the Indian Society of Anaesthesiologists since 2000 and the Indian Medical Association

(Calcutta Branch) since 2015. He has been actively contributing to the academic community in the capacity of a faculty member and organizer of the Pre-Conference Workshop at ISACON WB, held at Manipal Hospital EM Bypass in September 2025. He has also been an active participant in national and regional conferences including ICRA in 2016, ISACON in 2005 and 2012, and ISAJAC in 2002 and 2010, reflecting his continuous commitment to professional development and knowledge sharing within the field of anesthesiology. His proficiency over bengali, hindi and english languages provides ease of communication the patients.
