

DR. AMITAVA ROY

Consultant - ENT

Qualification

MBBS | MS (ENT) | Fellowship in Otology & Cochlear Implantation

Overview

Dr. Amitava Roy is a distinguished consultant associated with the Department of Ear, Nose & Throat at Manipal Hospital EM Bypass. With an academic background of MBBS from Sikkim Manipal Institute of Medical Sciences, and MS (ENT) from Jawaharlal Nehru Medical College, Wardha, followed by further specialised training, Dr. Amitava Roy brings compassionate, patient-centric care with multidisciplinary collaboration in his treatment approach. Over the tenure of his practice of 14 years, Dr. Amitava Roy has been associated with reputed medical establishments in India and abroad, including the esteemed MAA ENT Hospital, Hyderabad, and the renowned Gruppo Otologico, Piacenza, Italy, from where he received specialised training in Skull Base surgery. His core areas of expertise include cochlear implant surgery (paediatric & adult), lateral skull base surgery, endoscopic ear and sinus surgery, head & neck surgical procedures, emergency ENT and trauma care, further extending towards procedures and treatment for conditions related to Otology and Neurotology, as well as implantable hearing solutions (BAHA & OSIA). In addition to his clinical accomplishments, Dr. Roy has actively

contributed to academics, surgical training, research, and conference faculty programs. He has authored publications in reputed journals and has been recognised for excellence in skull base surgical training. A distinguished consultant in his field, Dr. Amitava Roy is a trusted name among patients seeking advanced, personalised treatment for their concerns.
