

DR. RAHUL CHAUHAN

Consultant - Paediatrics & Child Care

Qualification

MBBS | DCH

Overview

Dr. Rahul Chahuhan is a widely known paediatrician in Ghaziabad. He is currently associated with Manipal Hospitals Ghaziabad as a Consultant with the Department of Paediatrics & Child Care. He has great experience in the field and vast experience. His areas of expertise include Pediatrics and Neonatology. He specializes in the care of infants, children, and adolescents. Dr. Rahul has completed extensive training in paediatrics. He is an expert at diagnosing and treating a wide range of illnesses and conditions in children, from common colds and ear infections to more serious conditions such as asthma, diabetes, and cancer. Dr. Rahul also provides preventive care, such as immunizations, and monitors children's development. He provides comprehensive care that meets the unique needs of children, from physical and emotional health to social and developmental needs. In addition to this, Dr. Rahul also works closely with parents and caregivers to ensure that children receive the best possible care. He conducts physical exams to assess children's overall health and development, offers advice on nutrition, sleep, and other aspects of childcare, counsels parents on a variety of topics, such as discipline,

behaviour, and child development and works with other specialists to provide comprehensive care for children with complex medical needs. Dr. Rahul also actively participates in seminars and events related to his field to stay abreast with the latest developments. He is a highly motivated individual, his compassionate conduct and sincere approach makes him stand apart from other paediatricians in Ghaziabad. Dr. Rahul is proficient in Hindi and English and can communicate effectively with patients. He is also an ardent believer in patient rights and ensures that the patient is aware of every aspect of the treatment and is making a confident decision. The positive reviews from the patients speak a thousand words about the optimum and customised care he offers. He is also a member of the Indian Academy of Pediatrics.
