

DR. BHUPENDRA SINGH

Consultant - Cardiology

Qualification

MBBS | MD Internal Medicine | DM Cardiology | FACC | FESC | AFSCAI

Overview

Dr. Bhupendra Singh is the best cardiologist in Ghaziabad having vast experience in the field. He completed his MBBS, MD in Internal Medicine and DM in Cardiology. His areas of expertise include the treatment of Ischemic Heart Disease, CAD, Angioplasty (PTCA), Primary PCI, Peripheral Interventional Pacemakers, and Device Closure. Dr. Bhupendra has won many awards for instance he won 1st prize for a paper presentation titled “Safety and Efficacy of various routes of administration of eptifibatide in Acute Coronary Syndrome patients undergoing PCI” in CSI-UP chapter 2010 held at Lucknow. He earned a certificate of honor in Pathology and Social & Preventive Medicine in MBBS 2nd Prof, 1999. Dr. Bhupendra was honoured with the Smt. Surat Kumari Lal Gold Medal in M.D. in the Department of Medicine, KG Medical University, 2005. He has also earned the S. N. Gupta award for a paper presentation titled “Hyperhomocysteinemia in chronic liver disease: A Novel risk factor for hepatic damage” at UPICON 2004 held at Allahabad. Another feather in his cap is the 2nd prize in the Deeptanshu Vedanta Gupta Quiz in UPICON-2004 held at Allahabad. Dr. Bhupendra has done multiple media interactions to share accurate

medical information. Some of them are an exclusive article on ‘Gastric problem and underlying coronary artery disease’ for Indiatvnews, a video on ‘High blood pressure and associated risks’ for MyUpchar (Network 18) on World Hypertension Day, another article on ‘heart attack at the gym; find out what triggers the condition’ for The Indian Express. In addition to this, he did an exclusive story on ‘Heart attacks at the gym: What to keep in mind before pushing your fitness limits’ for HT Healthshots, and another one on ‘Important factors to look for when taking care of a critical heart patient’ for Dainik Bhaskar. Dr. Bhupendra is highly professional and soft-spoken. He also participates in national and international conferences dedicated to technological advancements in the medical world.
