

DR. DEEPAK VERMA

Consultant - Internal Medicine

Qualification

MBBS | MD

Overview

Dr. Deepak is working as a consultant with the Department of Internal Medicine at Manipal Hospitals Ghaziabad. He is one of the best Internal Medicine doctors in Ghaziabad, having vast experience and knowledge to perform various diagnostic and curative procedures. His areas of expertise include the treatment of Diabetes and endocrinology, Diabetes and its Complications, Fungal and parasitic infection and Tropical Medicine. Dr. Deepak is very professional and compassionate and has garnered positive reviews for his customised approach. He maintains the confidentiality of the patient's data and transparency during consultations. Dr. Deepak ensures that his patients are aware of every aspect of the treatment and are confident about it. He educates and counsels them so that they can make better decisions. Dr. Verma also participates in conferences and seminars that are dedicated to the advancements in the world of healthcare and medicine. Dr. Deepak has recently shared an exclusive article titled ‘Amid Omicron BF.7 spread, here are signs your cough is due to Covid-19’ for Hindustan Times Digital. He also participates in events, FB live programs, YouTube videos and more to share information on various topics

related to health and nutrition. He is always keen on modifying his treatment approach if it enhances patients' experience in any manner. Dr. Deepak is fluent in Hindi and English. This linguistic capability permits him to lay out areas of strength for his patients, advancing patient-focused care and compelling doctor-patient communication.
