

DR. DEEPAK JAIN

Consultant - Urology

Qualification

MBBS | MS | DNB (GENITOURINARY SURGERY)

Overview

Dr. Deepak Jain is a distinguished Consultant Urologist with an extensive career spanning over 32 years in the field of Urology and Genitourinary Surgery. He is highly respected for his expertise in Endourology, Laparoscopic Urology, and Uro-Gynae Oncology, providing advanced and minimally invasive solutions for a wide range of urological conditions. Dr. Jain completed his MBBS and MS, followed by a DNB in Genitourinary Surgery, equipping him with in-depth knowledge and specialized skills in diagnosing and treating complex urological disorders. His surgical proficiency extends across kidney stones, prostate enlargement, urinary tract infections, male infertility, and urological cancers, offering state-of-the-art treatment with a focus on patient safety and comfort. As a pioneer in Endourology, Dr. Jain has successfully performed numerous laser and minimally invasive procedures, significantly reducing recovery time and post-operative complications. His expertise in Laparoscopic Urology allows him to perform advanced procedures with precision, ensuring minimal scarring and faster healing. Additionally, his specialization in Uro-Gynae Oncology enables him to manage cancers of the kidney,

bladder, and prostate with the latest surgical and therapeutic approaches. With a patient-first approach, Dr. Jain is known for his compassion, attention to detail, and commitment to delivering the highest standards of urological care. He continuously enhances his knowledge by participating in national and international medical conferences and workshops, staying updated with the latest innovations in urological treatments and technologies. Dr. Deepak Jain’s decades of experience, surgical excellence, and dedication to patient well-being make him a trusted leader in the field of Urology, offering comprehensive and advanced care to his patients.
