

DR. VIPIN SAIGAL

Consultant - Plastic Surgery

Qualification

MBBS | MS | Mch (Plastic Surgery)

Overview

Dr. Vipin Saigal is a highly experienced and respected plastic and cosmetic surgeon dedicated to helping patients restore function, appearance, and confidence through advanced surgical care. With decades of expertise in plastic, reconstructive, and aesthetic surgery, he has become a trusted name for patients seeking specialised treatment for trauma, burns, facial deformities, and cosmetic concerns. Recognised as a leading plastic surgeon in Ghaziabad, Dr Vipin Saigal combines surgical precision with a patient-centric approach to deliver safe, effective, and natural-looking outcomes. Holding qualifications including MBBS, MS, and MCh in Plastic Surgery, Dr Vipin Saigal has built an impressive career focused on both reconstructive and cosmetic procedures. His extensive experience enables him to manage a wide range of complex cases, from severe traumatic injuries and burns to advanced facial reconstruction surgeries. Patients value his meticulous attention to detail, thorough evaluations, and commitment to achieving the best possible functional and aesthetic results. Dr. Saigal has particular expertise in treating faciomaxillary injuries, traumatic deformities, crush injuries, accidental trauma, and burn-related

complications. He is highly skilled in skin grafting and flap reconstruction procedures, which play a crucial role in restoring damaged tissues and improving the quality of life for patients recovering from major injuries. His reconstructive expertise helps patients regain both physical function and self-confidence. In addition to reconstructive surgery, Dr. Vipin Saigal offers a wide range of cosmetic and aesthetic treatments. His areas of interest include facial dermabrasion, chemical peels for acne scars and pigmentation, treatment of melasma, facial scar revision, Botox therapy, dermal fillers, and anti-ageing procedures. He focuses on delivering subtle, natural-looking enhancements that complement each patient's unique features. Known for his ethical practice and transparent communication, Dr Saigal ensures that every patient receives honest guidance regarding treatment options, expected outcomes, and recovery. He believes in creating personalised treatment plans that address individual concerns while prioritising safety and long-term results.For individuals searching for Dr Vipin Saigal or an experienced plastic surgeon in Ghaziabad, he offers a unique combination of reconstructive expertise, aesthetic excellence, and compassionate care. His dedication to surgical innovation and patient satisfaction continues to make him a preferred choice for plastic and cosmetic surgery in Ghaziabad and the surrounding region.
