

DR. PRAKHAR GARG

Consultant - General Surgery

Qualification

MBBS | MS | FMAS | FIAGES | FISCP

Overview

Dr. Prakhar Garg is a highly skilled and experienced Consultant in General Surgery with a specialization in Minimal Access and Laparoscopic Surgery. With over a decade of expertise, he has earned a reputation for his precision, dedication, and patient-centred approach to surgical care. Dr. Garg completed his MBBS and pursued his Master of Surgery (MS) to build a strong foundation in surgical sciences. To further enhance his expertise in advanced surgical techniques, he acquired prestigious fellowships, including FMAS (Fellowship in Minimal Access Surgery), FIAGES (Fellowship of Indian Association of Gastrointestinal Endo-Surgeons), and FISCP (Fellowship in International Society of Coloproctology). His extensive training and continuous learning reflect his commitment to staying at the forefront of medical advancements. As a specialist in Minimal Access and Laparoscopic Surgery, Dr. Garg is proficient in performing a wide range of procedures with minimal invasiveness, ensuring quicker recovery, reduced post-operative pain, and better patient outcomes. His expertise extends to laparoscopic gastrointestinal surgeries, hernia repairs, gallbladder surgeries, appendectomies, and colorectal

procedures. He believes in utilizing cutting-edge technology and innovative surgical techniques to deliver superior care. Throughout his career, Dr. Garg has successfully treated numerous patients with complex surgical conditions. His compassionate approach, coupled with a deep understanding of patient needs, makes him a trusted name in the field of surgery. His dedication to excellence, patient safety, and ethical medical practices ensures that each patient receives the highest standard of surgical care. With a decade of hands-on experience, Dr. Prakhar Garg continues to contribute significantly to the field of surgery, helping patients regain their health with precision and care.
