

DR. YOGESH AGARWALA

Consultant - General & Laparoscopic Surgery

Qualification

MBBS | MS (Surgery) | FIAGES | FALS | MBA (FMS)

Overview

Dr. Yogesh Agarwala is one of the most experienced and respected surgeons in the region, with more than four decades of expertise in General and Laparoscopic Surgery. Renowned for his clinical excellence, surgical precision, and patient-centric approach, Dr Yogesh Agarwala has successfully treated thousands of patients with a wide range of surgical conditions. Currently serving as a Consultant in General & Laparoscopic Surgery at Manipal Hospital Ghaziabad, he is widely recognised as a Top General Surgeon in Ghaziabad for his commitment to delivering safe, effective, and minimally invasive surgical care. Dr. Agarwala completed his MBBS and MS in General Surgery from the prestigious Aligarh Muslim University. He has further enhanced his expertise through advanced fellowships, including FIAGES and FALS, with specialised training from renowned institutions in Japan, Singapore, and the United States. His international exposure has enabled him to adopt modern surgical techniques and deliver world-class treatment outcomes. His core areas of expertise include laparoscopic surgery for hepatobiliary and pancreatic disorders, hernia repair, upper gastrointestinal surgery, bowel surgery, bariatric surgery,

thoracoscopic procedures, thyroid surgery, breast surgery, proctology, and peripheral vascular disease management. Dr. Yogesh Agarwala is particularly known for his proficiency in minimally invasive procedures, which help reduce pain, minimise scarring, shorten hospital stays, and promote faster recovery. Patients value Dr. Agarwala for his compassionate communication, detailed consultations, and personalised treatment plans. He believes that every patient deserves individual attention and works closely with multidisciplinary teams to develop treatment strategies that address both medical and personal needs. His focus on ethical practice, clinical excellence, and patient safety has earned him consistent trust among patients and healthcare professionals alike. Dr. Yogesh Agarwala is a member of the Delhi Medical Council and the Medical Council of India. He remains actively involved in professional development and surgical advancements, ensuring that his patients benefit from the latest innovations in modern surgery. For individuals searching for Dr. Yogesh Agarwala or a Top General Surgeon in Ghaziabad, he offers an exceptional combination of experience, advanced laparoscopic expertise, and patient-focused care. His dedication to achieving optimal surgical outcomes continues to make him a preferred choice for general, laparoscopic, and bariatric surgery in Ghaziabad.
