

PROF. (DR.) RAJEEV ANAND

Consultant - Orthopaedic

Qualification

M.B.B.S. (B.H.U) | M. S. (ORTHO) | D. N. B. (ORTHO) | MCh. (Ortho) | MAMS

Overview

With a career spanning decades of clinical practice, academic excellence, and leadership in orthopaedics, Prof. Dr. Rajeev Anand is widely recognised as the best orthopaedician in Ghaziabad, trusted by patients for delivering world-class orthopaedic care and outstanding treatment outcomes. Prof. Dr. Rajeev Anand possesses an impressive academic background, having earned his MBBS from Banaras Hindu University (BHU), followed by MS (Orthopaedics), DNB (Orthopaedics), MCh (Orthopaedics), and MAMS. His extensive training, coupled with vast clinical experience, enables him to provide comprehensive solutions for a wide range of bone, joint, muscle, ligament, and trauma-related conditions. Throughout his illustrious career, Prof. Dr Rajeev Anand has served at some of India’s most prestigious healthcare institutions. These esteemed associations have strengthened his expertise in handling both routine and highly complex orthopaedic cases, making him a preferred choice for patients seeking advanced musculoskeletal care. Widely regarded as the best orthopaedician in Ghaziabad, Dr. Anand specialises in total knee replacement, total hip replacement, revision joint replacement surgeries, fracture and trauma

management, arthritis treatment, sports injury care, foot and ankle disorders, and complex orthopaedic reconstructions. Dr. Anand has also organised major academic events, including the UP Arthroplasty Association Conference, the Midterm Symposium of the UP Orthopaedic Association, and the U.P. Ortho PG Teaching Course, contributing significantly to orthopaedic education and professional development. A respected academician and educator, Dr. Anand is a certified postgraduate orthopaedic teacher at Santosh Medical College. His scholarly work has been presented at prestigious international forums such as the SICOT Conference in Prague, while his participation in American Academy of Orthopaedic Surgeons (AAOS) meetings demonstrates his commitment to staying at the forefront of global orthopaedic advancements. His professional excellence is further reflected in his prestigious affiliations, including the Depuy Joint Replacement Fellowship, Indian Arthroplasty Association, Indian Orthopaedic Association, Indian Foot and Ankle Society, and A.O. Trauma Switzerland. His ability to combine advanced orthopaedic techniques with personalised patient care has established him as the best orthopaedician in Ghaziabad, helping countless individuals overcome pain, restore mobility, and return to active, fulfilling lives.
