

DR. MITHILESH KUMAR

Consultant - Neurology

Qualification

MBBS | MD | DrNB(Neurology) | MRCP SCE (UK) NEUROLOGY | PDF Movement Disorder

Overview

Dr. Mithilesh Kumar is a highly skilled and dedicated neurologist with over 5 years of clinical experience in diagnosing and managing a wide spectrum of neurological disorders. With advanced qualifications including DrNB in Neurology, MRCP SCE (UK) in Neurology, and a Post-Doctoral Fellowship in Movement Disorders, Dr. Kumar brings a comprehensive and evidence-based approach to patient care. His core area of expertise lies in the diagnosis and treatment of movement disorders, particularly Parkinson’s disease, dystonia, and tremor syndromes. As a fellowship-trained movement disorder specialist, he employs cutting-edge therapies such as botulinum toxin injections and advanced pharmacologic regimens to optimise patient outcomes. He is an expert Neurologist in Ghaziabad. Dr. Kumar also has extensive experience managing headache and migraine, seizure and epilepsy, vertigo, multiple sclerosis, neuropathy, sleep disorders, neuromuscular conditions, and spinal disorders. His approach integrates modern diagnostics, including electrophysiological studies and neuroimaging, with individualised treatment plans tailored to each patient’s needs. Known for his compassionate patient care and clinical acumen, Dr.

Kumar stays updated with global advancements through continued medical education and research. His training in both Indian and international medical systems provides a well-rounded perspective, allowing him to offer globally benchmarked neurological care. Dr. Mithilesh Kumar is committed to enhancing the quality of life for his patients by combining medical expertise with empathetic care, ensuring a thorough and holistic approach to each neurological condition.
