

DR. PANKAJ KUMAR PANDE

Consultant - Surgical Oncology

Qualification

MBBS | MS | FRCS

Overview

Dr. Pankaj Kumar Pande is a distinguished Surgical Oncologist with over 27 years of clinical experience in the diagnosis, treatment, and management of complex cancers. Currently serving in the Department of Surgical Oncology, Dr. Pande is recognised for his exceptional surgical expertise, compassionate patient care, and commitment to advancing cancer treatment protocols. After earning his MBBS and MS in General Surgery, Dr. Pande pursued advanced training and attained the prestigious Fellowship of the Royal College of Surgeons (FRCS), further refining his skills in oncological surgery. His clinical focus encompasses a wide spectrum of cancers, including gastrointestinal, breast, head and neck, and thoracic malignancies. He has performed thousands of successful surgical procedures, combining precision with a patient-centred approach. Dr. Pande’s professional philosophy is rooted in delivering evidence-based care tailored to each patient’s individual needs. He is known for his clear communication, empathetic counselling, and dedication to ensuring patients are well-informed throughout their treatment journey. Beyond his clinical practice, Dr. Pande is deeply engaged in academic and research activities. He has

contributed to peer-reviewed publications, delivered lectures at national and international conferences, and mentored the next generation of surgical oncologists. His interests also include minimally invasive and organ-preserving cancer surgeries, with a focus on improving recovery outcomes and quality of life for patients. Respected among peers and trusted by patients, Dr. Pankaj Kumar Pande continues to be a driving force in the fight against cancer, combining decades of experience with an unwavering commitment to innovation and compassionate care. His work stands as a testament to his belief that skilled surgery, delivered with empathy, can transform lives.
