

DR. AKASH MISHRA

Consultant - Neurosurgeon

Qualification

MCH (Neurosurgery)

Overview

Dr. Akash Mishra is a highly skilled and experienced neurosurgeon dedicated to providing comprehensive care for patients with complex neurological disorders. With over 12 years of experience in the field of neurosurgery, he has established himself as a trusted name for the diagnosis and treatment of brain, spine, brachial plexus, and peripheral nerve conditions. Currently practising at Manipal Hospital Ghaziabad, Dr. Akash Mishra is widely recognised by patients seeking expert neurological care and is regarded as a Top Neurosurgeon in Ghaziabad for his clinical expertise, surgical precision, and patient-centred approach. Dr. Akash Mishra specialises in managing a broad spectrum of neurosurgical conditions, ranging from brain tumours and neuro-oncological disorders to spinal diseases, nerve injuries, and complex neurological conditions. His expertise extends to minimally invasive neurosurgery, supported by specialised fellowship training in endoscopic brain and spine surgery. This advanced training enables him to perform precise procedures with smaller incisions, reduced hospital stays, faster recovery times, and improved patient outcomes. As a leading neurosurgeon, Dr. Mishra has developed particular

expertise in neuro-oncology, spine surgery, paediatric neurosurgery, and functional neurosurgery. He routinely evaluates and treats patients suffering from chronic back pain, slipped discs, spinal stenosis, brain tumours, nerve compression disorders, traumatic brain injuries, and other neurological conditions requiring specialised intervention. His thorough diagnostic approach ensures that every patient receives a personalised treatment plan tailored to their specific medical needs. Patients value Dr. Akash Mishra for his compassionate communication, ethical medical practice, and commitment to delivering evidence-based care. Fluent in both English and Hindi, he ensures that patients and their families fully understand their diagnosis, treatment options, and recovery journey. His active involvement in academic discussions, publications, and ongoing professional development reflects his dedication to staying at the forefront of neurosurgical advancements. For individuals searching for Dr. Akash Mishra or a Top Neurosurgeon in Ghaziabad, he offers a combination of advanced surgical expertise, modern treatment techniques, and personalised neurological care. His commitment to excellence, patient safety, and long-term recovery continues to make him a preferred choice for brain and spine treatment in Ghaziabad and the surrounding region.
