

DR. B P S TYAGI

HOD - ENT

Qualification

MBBS | MS (ENT)

Overview

Professor (Dr) B P S Tyagi is a distinguished Senior ENT, Head & Neck Surgeon with over three decades of experience in clinical practice, advanced ENT surgery, academics, and healthcare leadership. Renowned for his expertise in managing complex ear, nose, throat, and head & neck conditions, he is widely recognised for combining surgical excellence with a strong commitment to patient-centred care. Dr Tyagi completed his MBBS and MS (ENT) from the prestigious Mahatma Gandhi Institute of Medical Sciences (MGIMS), Sevagram, Wardha. During his postgraduate training, he was awarded the Gold Medal in MS (ENT) and received the Best Postgraduate Thesis Award, reflecting his academic excellence and dedication to advancing the field of otorhinolaryngology. Over the course of his career, Dr Tyagi has held several prominent clinical and leadership positions. He is the Founder and Head of Harsh ENT Hospital, Ghaziabad, and has served as a HOD - ENT Surgeon at leading healthcare institutions across the NCR. His areas of special interest include microsurgery of the ear, endoscopic nasal and throat surgery, minimally invasive ENT procedures, head and neck cancer surgery, surgery for snoring and obstructive sleep apnoea,

phonosurgery for voice disorders, prolotherapy in ENT, and faciomaxillary surgery. His expertise spans both routine and highly complex ENT and head & neck procedures. Dr Tyagi has authored more than 60 publications in indexed medical journals and has been an invited chairperson and speaker at numerous national and state-level ENT conferences. He has also contributed extensively to public health awareness through newspapers, magazines, television programmes, and community outreach initiatives. Dr Tyagi's contributions to medicine have earned him national and international recognition, including entries in the Limca Book of Records for pioneering surgical achievements and prestigious honours such as the Mahatma Gandhi Samman, Nelson Mandela Samman, and Lords of Planet Award. With his vast experience, surgical expertise, and dedication to innovation, Dr B P S Tyagi continues to be a trusted name in ENT and Head & Neck Surgery.
