

DR. SANJEEV KUMAR JAIN

Consultant - ENT Head & Neck Surgery

Qualification

MBBS | DLO | DNB(T) | MS

Overview

Dr. Sanjeev Kumar Jain is a highly accomplished and respected Consultant in ENT Head & Neck Surgery with over 26 years of extensive clinical experience. Serving the Ghaziabad and Delhi-NCR regions, he has built a stellar reputation for delivering comprehensive medical and surgical care in otorhinolaryngology. His deeply decorated academic background features an MBBS from the prestigious King George's Medical University, a DLO from Kasturba Medical College, Manipal, a DNB (T), and a Master of Surgery (MS) in Otolaryngology, equipping him with profound expertise in treating complex head and neck disorders. Beyond his immense surgical skill, Dr. Jain is widely recognised for his flawless medical ethics and high degree of professionalism. He maintains an exceptionally polite, calm, and empathetic conduct, always taking the time to actively listen to his patients and explain complex conditions in simple, reassuring terms. This patient-centric approach has earned him outstanding feedback and reviews, with patients consistently praising his thorough diagnostic accuracy, comforting bedside manner, and the meticulous standards of care he enforces. Dedicated to providing world-class healthcare, Dr.

Jain is deeply committed to continuous medical education. He frequently participates in prominent national and global seminars, events, and conferences to consistently update his knowledge on the latest industry trends, global healthcare standards, and technological advancements in his field. By seamlessly integrating these cutting-edge techniques and global best practices into his daily routine, Dr. Jain ensures that his patients always receive the most advanced and effective ENT care available.
