

DR. KINJAL AVDHUT KOTHARI

Consultant - Obstetrics and Gynecology

Qualification

MBBS | MS (Obstetrics and Gynaecology) | FMAS

Overview

Dr. Kinjal Avdhut Kothari is a dedicated Gynaecologist with expertise in obstetrics and gynaecology department. She currently serves patients at Manipal Hospitals, Goa. Her journey in the medical field began with a Bachelor of Medicine, and Bachelor of Surgery (MBBS) from Pramukh Medical College, Anand, India. She further pursued specialization, completing her Masters of Surgery (MS) in Obstetrics & Gynaecology from Gujarat University, Ahmedabad, India, where her exemplary performance earned her the Gold medal in Gynaecology and Bronze in MBBS. She is the Best Female Gynaecologist in Panjim, Goa. Dr. Kinjal Avdhut Kothari is proficient in various aspects of gynaecology, including endoscopy, sonography, hysterectomy, C-sections, deliveries, epi-deliveries, and COVID management. Her dedication to learning and serving the community is reflected in her academic achievements and practical skills. With a solid foundation in medical education, Dr. Kinjal Avdhut Kothari gained valuable experience through her professional journey. She served as a Senior Resident at SVP Medical College, Ahmedabad, overseeing antenatal, prenatal, and postnatal care while managing planned and emergency cases. Previously, she worked as a

Resident at NHL Medical College, Ahmedabad, where she was involved in various departments and clinical rotations. Additionally, her internship at PSMC Medical College, Anand, equipped her with hands-on experience in managing medical emergencies and rural healthcare settings. Dr. Kinjal Avdhut Kothari actively contributes to clinical research, focusing on improving neonatal outcomes in deliveries complicated by meconium-stained amniotic fluid. Her research underscores the importance of early intervention and management strategies to mitigate adverse fetal outcomes associated with this condition. Dr. Kinjal Avdhut Kothari is a compassionate healthcare professional committed to providing comprehensive care to women, backed by a strong academic background, diverse clinical experience, and a passion for advancing medical knowledge in gynaecology.
